**AIRBUS SUPPORT
TO AVIATION
SAFETY INITIATIVES
IN AFRICA**

Gaborone 22-23 May 2017

Airbus safety scope

What had we been doing to support Aviation Safety in Africa?

Supporting ICAO Safety initiatives

Supporting RASG-AFI activities

Supporting AFP/PBN program

Responding via COSCAP/RSOO projects to the demand of support of CAAs mainly in terms of regular training with a special focus on the sharing of experience and the transfer of competences.

Giving access to a direct, permanent and close Airbus support to all our operators

Way forward Medium/Long Term

Encourage and support COSCAP/RSOO and CAAs sustainable long term training program

Encourage and support the pooling of resources through COSCAPs/RSOOs

Encourage and support a regional common framework and harmonization of Regulations

THANK YOU!
