# IMPLEMENTATION STATUS OF TARGETS 4 AND 5 OF THE WINDHOEK DECLARATION

Among the 21 States reported :

- Eleven states reported to have put in place all the 4 programs and National Committees ;
  - Nine (9) States indicated that one or two programs are yet to be developed ;and
  - One State is yet to develop and approve three National Programmes.
- 
- 43% still need to develop and approve their NATFP,
  - 24% need to establish National Air Transport Facilitation Committees

# CONCLUSION

- States in need of assistance could benefit from the team of Experts of RASFALG-AFI
- AFCAC implores all States which are yet to submit the completed questionnaires
- Lack of information hampers measurement of implementation of the Windhoek Declaration and Targets
- the MoU will establish effective mobilization of Experts for assistance missions.

## Action Required

The Steering Committee is therefore, invited to :-

- 1. To take note of status of designation of AVSEC & FAL Experts;**
- 2. Consider the Memorandum of Understanding (MoU) on the use of national Experts as Designated Experts;**
- 3. Urge States to benefit from the team of Experts in the implementation of the Windhoek Declaration and Targets; and**
- 4. Urge States to respond to the Questionnaire on the implementation of Targets 4 and 5 of the Windhoek Declaration which should be fully complied with by 2017.**

THANK  
YOU
