# **AFI ASBU Planning & Implementation Seminar/ Workshop**

## **Next Steps; Workshop Description**

**Seboreso Machobane RO/ATM**  
**ESAF Regional Office**

*Addis Ababa*  
*November 17-19, 2014*

# OUTLINE

- **Next Steps**
  - States and ANSPs
  - APIRG and ICAO Regional Offices (ROs)
- **Workshop – guidance**
  - Logistics
  - Groups
  - Exercises
  - Report back

## Next Steps

### Concl. 19/06 - AFI Regional Air Navigation System Implementation **Plan** Aligned with ASBU

- States adopt the Plan aligned with 18 Modules
- implement based on operational needs
- Secretariat finalize the implementation targets; align targets with existing regional programmes
- APIRG Regional Offices coordinate implementation
- ICAO continually provide capacity building
- AFCAC), Regional Economic Communities and Financial institutions to provide their support & assist States

## Next Steps

### States and ANSPs:

- Review and analyze AFI adopted Modules based on operational needs in each State
- Develop national implementation plan and obtain *high level (e.g. Board or hire)* approval
- Provide ICAO with copy of the national plan by ...
- Develop national implementation *Action Plan* and obtain *organization* approval
- Implement the national plan
- Provide progress updates to ICAO (mechanism and periodicity to be finalized)

## Next Steps

### APIRG & Regional Offices

- Monitor implementation
- Update Dashboard based on inputs from States
- Coordinate implementation to ensure intra and inter-regional harmonization and interoperability
- Identify deficiencies and recommend solutions
- Coordinate with other ICAO organs including USOAP
- Support and assist States as necessary

# Workshop – guidance

## ARRANGEMENTS

- Breakaway rooms and logistics
- Groups – establish groups: 4 States keeping members of each State/ANSP delegations together
- However, large delegations may also distribute some of their members to other groups
- Organizations (AFCAC, CANSO, IATA, IFALPA) may join any group or rotate. Be available to all groups
- Agree on a facilitator to moderate discussions
- Agree on who will capture the group work effectively and develop a presentation
- Identify a different person to make presentations

# Workshop – guidance

## THE TASK

- Review the outcome of APIRG 19 and objectives of the Seminar/Workshop as provided in previous presentations (20 minutes). No discussion
- Read the exercise guidance. No discussion
- Discussion: analyze the Modules to identify those to be implemented “based on their operational needs”
- Using the ANRFs, detail the (high level) national plan and Action Plan
  - Develop Implementation Plans
  - Develop Implementation Action Plans – At least examples thereof (due to limited time)

## THE TASK (cont.)

- **Allow the captured material to be inclusive of all the requirements in the group. However, each delegation should identify content from the group work, which does not apply to their State**
- **Prepare a presentation for 20 minutes. The presenter/s should rehearse to ensure that they will stick to the time during presentations to the plenary**
