Protocol Questions (PQ) / Export State Self-Assessment

The auditor export feature is utilized for viewing offline the work done by the state on the state self-assessment protocol questions. The exported file is not intended to be re-imported on the OLF afterwards, the self-assessment work is only performed by the state.

The exported document requires Microsoft Word 2010 on a Windows based platform. Please ensure the document remains in its native "docx" file format when saving. The exported file should not be merged or modified.

All Protocols Not satisfactory Protocols based on last ICAO activity
 Include SSP Protocols
