AIM Achievements South Africa

- **STRATEGY**

- Development of SWIM Strategy for ATNS which will become part of a SWIM strategy for South Africa.

- **REGULATIONS and STANDARDS**

- Alignment of Civil Aviation Regulations to new Annex 15/ 16th Edition and PANS-AIM Doc 10066 requirements
 - Digital AIS products and Services
 - Quality Management
- Review and proposed Changes to AIM Training inline with future AIM requirements (GIS/IT Based requirements)

- **OPERATIONS**

- Permanent NOTAMS are being moved to the AIC
- Reduction in the number of NOTAM errors 2% to 1% based on an average of 1000 NOTAMS per month

Thank you
