SUMMARY
This paper presents the New ICAO SARPS unpacked
REFERENCE(S): Annex 15 Amendment 40 PANS/AIM Doc.10066
Related ICAO Strategic Objective(s): <i>A – Safety, B – Air Navigation Capacity and Efficiency, D – Economic Development of Air Transport, and E – Environmental Protection.</i>

1. INTRODUCTION

1.1 It was indicated that in order to support States, ICAO Secretariat has prepared analysis of changes (compliance checklist) of the Edition of Annex 15 and the PANS AIM DOC. 10066.

1.2 The checklist in the form of an excel file would help States to understand the changes introduced by the new Annex 15 (16th edition); identify differences in standards of the 16th edition versus the 15th edition. This will facilitate States gap analysis of their current AIM National Regulations against Annex 15 (16th edition) update their regulations; identify their differences (for EFOD) and implementation of the new provisions.

1.3 States should note that the old Annex 15 had a total number of **293** Standards and the new 16th edition, which became applicable on 8th November 2018 and has a total number of **138** Standards.

1.4 The challenge is that these standards at the level of States and requires States to do gap analysis of their current AIM National Regulations against Annex 15 (Edition 16) of their Regulation identify their differences (for EFOD) and pursue the implementation of the new provision.

1.5 The Workshop is invited to:

- a) Note the information provided in this paper; and
- b) review and note the attachments in order to formulate Recommendations for future actions.
