IWAF 2017 on Financing the Development of Aviation Infrastructure

THE THIRD ICAO WORLD AVIATION FORUM
ABUJA, NIGERIA | 20-22 NOVEMBER 2017

FINANCING THE DEVELOPMENT OF AVIATION INFRASTRUCTURE

- Investments in quality aviation infrastructure development and modernization worldwide must be directed to well-managed projects with dedicated accountability, transparency and quality assurance.
- Take pragmatic measures to build a transparent, stable and predictable investment climate to support aviation development by engaging multi-stakeholders, diversifying funding sources and elevating the role of private sector.

Adoption of the Declaration and Framework for a Plan of Action for Development of Aviation Infrastructure in Africa

Investment in aviation infrastructure to ensure that the capacity of the global aviation system can meet future demand

- Building a transparent, stable and predictable investment climate
- Creating good governance such as institutional, legal and regulatory frameworks
- Consolidating planning and development efforts for aviation, tourism and trade infrastructure
