Civil and Military Initiative to Improve Cooperation,

What are Some of Them.

1. Develop committees at operational, tactical and strategic level.
2. Need to involve regional groupings such as ECOWAS, EAC (CASSOA), SADC.
3. Strengthen the top to bottom cooperation between the civil and military.
4. Need do come up with regulations/procedures as guidance for cooperation in the MOU/MOA.
5. Common/Joint training and exercises for military and the civil personnel.

Possible Challenges That May Be Faced Implementing These Initiatives, How To Overcome Them.

- 1. **Lack of awareness on contents of document 10088**
Need for ICAO to arrange more meetings and workshops regarding document 10088 to improve awareness and implementation.
- 2. **Lack of common training and exercises for both military and civil personnel**
Need for common/joint training and exercises for civil and military
- 3. **Lack of information sharing between civil and military**
Need for information sharing and trust between civil and military system
- 4. **Failure to implement the content of MOU/MOA**
Need for periodical review of MOU/MOA at all level (operational, tactical, and strategic)
- 5. **Lack of funding for implementation on civil and military joint activities**
Need for planning joint budget for joint civil and military activities
