Overview on the Evolution of Annex 3 to Chicago Convention and the New PANS-MET

Conclusion and Way forward

By the Secretariat

Conclusion and Way forward

- Member States to prepare for the implementation of the Restructured Annex 3 of the CC when it becomes applicable in their national regulations.
- MET Service Provider to comply with National MET-related regulations through the implementation of the provisions of the New PANS-MET.
- MET Service Provider to upgrade/update their systems to operate in a MET-SWIM environment as appropriate.
- MET Service Provider to develop and implement training plan for aeronautical meteorological forecasters and aeronautical meteorological observers.

Thank You!
