1. INTRODUCTION

1.1 The DGCA-MID/2 meeting (Jeddah, Saudi Arabia, 20 - 22 May 2013) encouraged States to provide national focal points for the implementation of a proposed regional safety information exchange mechanism related to unsafe aircraft/air carriers, as an effective method to promote the regional aviation safety and tasked RASG-MID to follow-up on the subject. Accordingly, the MID-SST was assigned by RASG-MID/3 meeting to follow-up.

2. ACTION BY THE MEETING

2.1 The meeting is invited to take actions as appropriate in order to follow up on the possible implementation of a proposed regional safety information exchange mechanism related to unsafe aircraft/air carriers.
