The CIVIL AVIATION AUTHORITIES AND/OR RELATED STAKEHOLDERS of THE PARTICIPATING STATES in the Middle-East Region, hereinafter referred to as the “Participating States”, and

The International Civil Aviation Organization, hereinafter referred to as "ICAO", represented by the Secretary General;

Hereinafter referred to as the “Parties”;

AGREE ON THE FOLLOWING:

1. GENERAL PROVISIONS

1.1 The Parties agree to enter into an agreement regarding management and other support services to be provided by or through ICAO, as specified in this Management Service Agreement (hereinafter referred to as "this Agreement").

1.2 A detailed description of the Project(s) in relation to which specific Services are going to be provided will be set out in and designated as Annex(es) to this Agreement.

1.3 Services to be provided by or through ICAO under this Agreement in response to requests submitted by the Participating States shall be furnished under the direction of the Director, Technical Cooperation Bureau of ICAO on behalf of the Participating States. Nevertheless, the Participating States shall retain overall responsibility for the implementation of the Project(s).

1.4 The services shall be approved by ICAO and shall be specified in the Annex(es) to this Agreement (hereinafter referred to as “the Services”). Such Services, unless otherwise agreed by the Parties, shall be provided in accordance with ICAO’s policies, practices, procedures and rules and subject to all necessary funds having been made available to ICAO.

1.5 The specific responsibilities of the Parties with regard to the contribution for the implementation of Project(s) shall be outlined as inputs in the Annex(es) to this Agreement.

1.6 ICAO and the Participating States shall maintain close consultations respecting all aspects of the provision of the Services contemplated under this Agreement.

1.7 Any change to the duration of the Agreement and/or the scope of the Project(s) shall require negotiations between the Parties.

1.8 ICAO shall, on behalf of the Participating States, contract for inputs required for the provision of the Services specified in the Annex(es) to this Agreement. The recruitment of personnel and the signature of contracts shall be subject to prior approval by the Participating States.

1.9 In the performance of the duties the personnel or contractors shall collaborate closely with officials of the Participating States and shall help to execute the Project(s) in conformity with such general guidelines as the Participating States may establish in consultation with ICAO. The latter shall furnish to the above-mentioned personnel or contractors whatever guidance ICAO deems necessary for the successful implementation of the Services.

1.10 Unless agreed otherwise by the Participating States and ICAO in the Annex(es) to this Agreement, the Participating States shall be solely responsible, using funds other than those specified in the Annex(es), for the recruiting of local personnel and payment of their salaries and benefits, as well as for the administrative support (local secretarial and personal services, offices, locally produced equipment and supplies, transportation within the country, and communications) required for the execution of the Project(s) and the provision of the Services and related support.

1.11 The funds and activities under this Agreement shall be administered according to applicable ICAO regulations, rules, directives, procedures and practices.

1.12 The obligations assumed by the parties under this Agreement shall continue to exist after termination of this Agreement to the extent necessary to permit the orderly finalization of activities, the withdrawal of personnel, the distribution of funds and assets, the liquidation of accounts existing between the parties, and the settlement of contractual obligations. Additional funds, if necessary, to cover the above-mentioned expenditures shall be provided by the Participating States.

2. FINANCING PROVISIONS

2.1. The estimated total cost of the Services will be indicated in the Annex(es) to this Agreement. For management of the Services, ICAO shall be paid Administrative Charges as indicated in the Annex(es). The total cost (Services and Administrative Charges) of the Project(s) may not exceed the amount reflected in the Annex(es) without the prior agreement of the Participating States.

2.2. Upon signature of the Annex(es), the Participating States shall deposit the amounts detailed in the Annex(es) to cover the estimated cost of the Services and Administrative Charges.

All cash receipts to, and payments made by, ICAO under this Agreement shall be recorded in a separate account, opened, *inter alia*, in order to place on record the receipt and administration of payments. 2.4. ICAO shall not be obliged to begin or continue the provision of the Services until the payments mentioned in paragraphs 2.2 and 2.6 of this Agreement have been received and ICAO shall not be obliged to pay or commit any sums exceeding the funds deposited in the aforementioned account.

2.5. ICAO shall furnish the Participating States with unaudited financial statements concerning the Services covered in this Agreement, showing the status of the funds in U.S. dollars as at the end of March, June, September and December. After ICAO has concluded the provision of the Services, it shall submit to the Participating States a final financial statement. In the event that the Participating States requests that a special audit/evaluation of its account or project under this Agreement be performed by the Internal or External Auditor of ICAO, the Participating States shall bear the cost of such audit.

2.6. If due to unforeseen circumstances the funds received under this Agreement should prove insufficient to cover the total cost of provision of the Services and Administrative Charges, ICAO shall inform the Participating States to that effect and additional funds, if required, shall be made available to ICAO before the continuation of the project.

2.7. Any balance of funds not disbursed and not committed at the conclusion of the Services shall be returned to the Participating States on request, or be retained in the account for future use as defined by the Participating States.

ICAO shall acquire, at the request and on behalf of the Participating States and in conformity with this Agreement and ICAO's Procurement Code, the necessary equipment and supplies described in the Annex(es) to this Agreement or requested directly from the Participating States through an official communication to ICAO:

3.1.1. Following the (site) acceptance of the equipment by ICAO on behalf of the Participating States, title of ownership, and all associated risks of loss or damage, shall pass automatically from the supplier of the equipment to the Participating States.

3.1.2. The Participating States shall be responsible for the custom clearance process. Should the costs resulting from tariff duties, taxes or similar fees directly related to the release from customs of the equipment and supplies not be subject to exemption by the Participating States shall be responsible for defraying such costs using funds not proceeding from those specified in the Annexes.

3.1.3. The Administrative Charge fees will be phased according to the degree of advancement of the procurement process (20% at the issuance of the tender, additional 30% when the evaluation process has been completed and the balance upon signature of the purchase order/contract). Should an on-going Purchase Requisition approved by the Participating States be cancelled by the Participating States before the purchase is effected, ICAO shall be entitled to recover its costs based on the amount of work that has been completed in the implementation of the said Purchase Requisition. ICAO will invoice the corresponding amount to the Participating States.

3.1.4. An amendment to a Purchase Order/Contract shall not decrease the Administrative Charges associated with the issuance of the original Purchase Order/Contract.

4. DISPUTES RESOLUTION (SETTLEMENT OF DISPUTES)

4.1 Any dispute, controversy or claim arising out of or relating to this Agreement, or the breach, termination or invalidity thereof, shall be settled, in the first instance, by direct negotiations between the parties. If unsuccessful, such dispute, controversy or claim shall be settled by arbitration in accordance with the United Nations Commission on International Trade Law (UNCITRAL) Arbitration Rules, as in force at the time of arbitration. The place of arbitration shall be Montreal, Province of Quebec, Canada, conducted in the English language. Arbitration shall be conducted by one arbitrator. The arbitral award shall contain a statement of reasons on which it is based and shall be accepted by the Parties as the final adjudication of the dispute.
