1.1 The Procedural Handbook is a publication prepared by the Secretariat intended to provide, for easy reference of all interested parties, a consolidation of material, particularly of a procedural nature, relevant to the work of the RASG-MID and its contributory bodies. It contains the working arrangements and internal instructions developed by the Group for the practical application of its Terms of Reference (TOR) and working methods.

1.2 The First Edition of the RASG-MID Procedural Handbook was approved by RASG-MID/1 (Cairo, Egypt, 18-19 September 2011) whereas the Second Edition - November 2012, has been issued and posted on the ICAO Middle East Regional Office website based on the outcome of the RASG-MID/2 meeting (Abu Dhabi, UAE, 12 - 14 November 2012).

1.3 In accordance with the RASG-MID Procedural Handbook, each RASG-MID Member State should designate a Member, Alternate and Adviser(s) able to support RASG-MID goals and objectives. The RASG-MID Stakeholders (industry Partners) should also designate their Representatives and Alternates to the RASG-MID.

2. DISCUSSION

“In order to ensure the necessary continuity in the work of the Group ~~and unless otherwise determined by special circumstances~~, the Chairperson, the First Vice-Chairperson and Second Vice-Chairperson of the Group should assume their functions at the end of the meeting at which they are elected and serve for three meetings, unless otherwise decided.~~re-elected, in that case the term would be limited to one additional cycle only.~~”

2.2 It was agreed that the RASG-MID Procedural Handbook should make a reference to the MID Region Safety Strategy and to the RASG-MID Engagement Strategy rather than the Global Aviation Safety Roadmap (GASR).

2.3 It was highlighted that the Handbook should include a mechanism for PIRG-RASG coordination as requested by the Second PIRG-RASG Meeting held at ICAO Headquarters, Montreal on 5 February 2015. The meeting also agreed that the RASG-MID Steering Committee (RSC) composition shall include all MID States. Accordingly, the meeting tasked the Secretariat with the review and finalization of the Procedural Handbook.

2.4 Based on the above, the draft revised version of the RASG-MID Procedural Handbook-Third Edition is at **Appendix A**.

1. BACKGROUND

1.1. On 6 October 2009, the ICAO Air Navigation Commission reviewed a proposal for the establishment of Regional Aviation Safety Groups (RASGs) and decided that the concept of RASGs be transmitted to States and appropriate international organizations for comments before a recommendation was made to the Council. It was highlighted during the discussions that the proposal for RASGs would not fundamentally change the efforts that are presently underway in several ICAO regions. A State letter dated 16 December 2009 sought comments from States and selected international organizations on the need for uniform establishment of RASGs in all regions, and provided suggested terms of reference and work programme of the RASGs. The comments by States were very supportive of the establishment of RASGs. Consequently, the ICAO Council at the fourth meeting of its 190th Session held on 25 May 2010:

- a) approved the establishment of the following RASGs: RASG-MID for the Caribbean, South American, and North American regions (including Central America); RASG-EUR for the European region; RASG-APAC for the Asia Pacific regions; RASG-AFI for the African region and RASG-MID for the Middle East region, with the aim of supporting a regional performance framework for the management of safety;
- b) agreed to the terms of reference of the RASGs as detailed in the Appendix to the paper;
- c) agreed that the report of RASG meetings, similar to reports of planning and implementation regional groups (PIRGs), would be reviewed by the ANC on a regular basis and by the Council as deemed necessary;
- d) approved the inclusion of the sentence “coordinate with respective RASG on safety issues” in the terms of reference of all PIRGs, viz APANPIRG, APIRG, EANPG, GREPECAS, MIDANPIRG and NAT SPG; and
- e) requested the ANC to report to the Council any duplication in the activities of the PIRGs and the RASGs.

1.2. The main purpose of the Regional Aviation Safety Group–Middle East (RASG-MID) would be to develop an integrated, data-driven strategy and implement a work programme that supports a regional performance framework for the management of safety. This approach is designed to reduce the commercial aviation fatality risk in the MID region and promote States and industry safety initiatives in harmony-line with the ICAO Global Aviation Safety Plan (GASP) and the regional objectives and priorities outlined in the MID Region Safety Strategy and Global Aviation safety Roadmap (GASR).

~~1.3. Further, the 37 Session of the ICAO General Assembly, Montreal 28 September to 8 October 2010 agreed to Assembly Resolution A37-4.~~

~~Quote from Assembly Resolution A37-4: ICAO global planning for safety:~~

~~*Recognized that safety is a shared responsibility involving ICAO, Contracting States and all other stakeholders;*~~

~~*Recognized that regional aviation safety groups should be implemented by ICAO, taking into account the needs of the various regions and building on the already existing structures and forms of cooperation;*~~

~~*Stressed the need for continuous improvement of aviation safety through a reduction in the number of accidents and related fatalities in air transport operations in all parts of the world, particularly in States where safety records are significantly worse than the worldwide average;*~~

~~*Urged Contracting States, regional safety oversight organizations and international organizations concerned to work with all stakeholders to implement the GASP objectives and GASR methodology objectives and to implement these methodologies to reduce the number and rate of aircraft accidents.*~~
