Overview

- Current situation
- Need for change
- Roadmap to change

Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation

CAPSCA

www.capsca.org

Current training situation

- Meetings - information & experience exchange
- Training workshops e.g. case studies
- Technical Advisor training
- Assistance visits
- Good results

Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation

www.capsca.org

Need for change

Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation

CAPSCA

www.capsca.org

Need for change

- Identified at previous CAPSCA meetings
- CAPSCA EUR - recommended that CAPSCA Training Group be established to
 - work on the development of the training system
 - explore funding possibilities
 - discuss implementation issues
 - report back to the CAPSCA-EUR/05

Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation

CAPSCA

www.capsca.org

Requirements

- Any training should consider both public health and aviation issues
- Standardized training approach for global application

Collaborative Arrangement for the Prevention and Management of Public Health Events in Civil Aviation

CAPSCA
