(Presented by the Secretariat)

SUMMARY

The aim of this paper is to agree on the date and venue of the Third MID Annual Safety Report Team meeting (MID-ASRT/3).

Action by the meeting is at paragraph 2.

1. INTRODUCTION

1.1 The MID-ASRT is expected to decide on the dates and venue of the next MID-ASRT/3 meeting taking into consideration the work programme of the RASG-MID.

1.2 For effective working arrangement and to enhance interaction between the RASG-MID safety teams, taking into consideration that RAST is in charge of developing/implementing Safety Enhancement Initiatives (SEIs) and Detailed Implementation Plans (DIPs) to address the Focus Areas (FAs) and Emerging Risks identified by the ASRT, it is suggested that the ASRT and the RAST have back-to-back meetings.

2. ACTION BY THE MEETING

2.1 The meeting is invited to support the proposal to organize the MID-ASRT/3 to be back-to-back with the RAST meeting and agree on the date and venue.
