

ICAO UNITING AVIATION

NO COUNTRY LEFT BEHIND

# CBT Discussion

# Discussion topics

- How would competency based training help Instructors and Assessors better train and assess?
- What tools / documentation would need to be developed or adapted to establish a competency-based training system?
- What sort of training is required for Instructors and Assessors to be able to effectively use a competency training system?
- How does competency based training allow for better outcomes for the trainee and the unit?
