

TWINNING EG - IT

# ***CHALLENGE AND TARGETS***

Interregional Aviation Security and Facilitation Seminar  
Cairo, Egypt, 13-15th November 2018

Twinnings are  
EU initiatives  
to assist neighboring  
countries in the  
construction of their  
national institutions  
in accordance with  
European Rules

# Twinning purpose

**Strengthening the aviation oversight standards of the  
Egyptian Civil Aviation Authority**

**The project twinned**  
**ENAC - Ente Nazionale per l'Aviazione Civile**  
**with**  
**ECAA - Egyptian Civil Aviation Authority**  
**to facilitate the approximation and possibly the adoption of the**  
**Aviation Security European Union Regulatory System (Acquis**  
**Communautaire).**

**It started 12th May 2015 and lasted 27th April 2017**

# Twinning Security Targets

- **implement a new technology system in Aviation Security**
- **develop or improve a new National Civil Aviation Security Program**
- **increasing confidence in the quality of the aviation security system**
- **develop and enhance security culture**
- **creating a more stable environment in the aviation sector**
- **improving investments in the security aviation sector**
- **increasing the competitiveness of domestic and international aviation markets**
- **facilitating interfaces and exchanges with the European aviation environment**
- **exchange expertise and know how**
- **strengthen the standards and the competencies**
- **enhance training effort**
- **provide a New Security Handbook**

# Team

## Enac Short Term Experts

**Within the Twinning Team (25p) was established  
a Short Term Experts pool composed of  
3 selected ENAC Security Aviation Experts  
skilled in rulemaking, standardization, certification,  
surveillance and training**

- **One expert involved in EU Commission team**
- **Some had also direct experience in twinning projects**

# Security Activities

**STE's and ECAA personnel:**

- **preliminary prepared a baseline study to identify regulatory gaps between ECAA and EU legal requirements**
- **On its basis, they prepared a Gap Analysis to approximate the Egyptian regulations with the appropriate EU rules**
- **Elaborate an Action Plan**
- **Draft a new Security Regulation**
- **Draft a New Security Handbook**

# Content

**In the field of Aviation Security, ENAC support ECAA to:**

- **Cooperate within the operators and other stakeholder**
- **Exchange know how and experience**
- **Implement the ECAA rules**
- **Update the ECAA rules**

# Stakeholders

- **Airports and Airports Directorate**
- **Police Force**
- **Security Agents**
- **Security Managers**
- **Airport Operators**
- **Regulated Agents**
- **Know Consignors**
- **Account Consignors**
- **Air Carriers**
- **Passengers**
- **In-Flight Suppliers**
- **Airport Suppliers**
- **Aviation Security Validators**
- **Security Training Expert**

# Conclusions and Targets

- **Air carriers regularly monitored**
- **Get closer to EU Security Regulation**
- **Covert tests carried out in all areas of security required by the Regulation**
- **Methodologies for oversight fully applied**
- **Training for auditors and security inspectors fully implemented**
- **At airport level, extension of national compliance monitoring**

- **and..**
- **Draft new update amendments ensuring clarity and facilitating implementation on security common basic standards**
- **Adoption of One Stop Security System for passengers, baggage and/or cargo**
- **Extend up date Regulation for Regulated Agent**
- **Introduce new Security Equipment**

The background is a solid blue gradient. At the top, there are several wavy, overlapping lines in shades of light blue and cyan, creating a sense of movement and depth.

*Thank you*
