Current overall LEI 10.74%

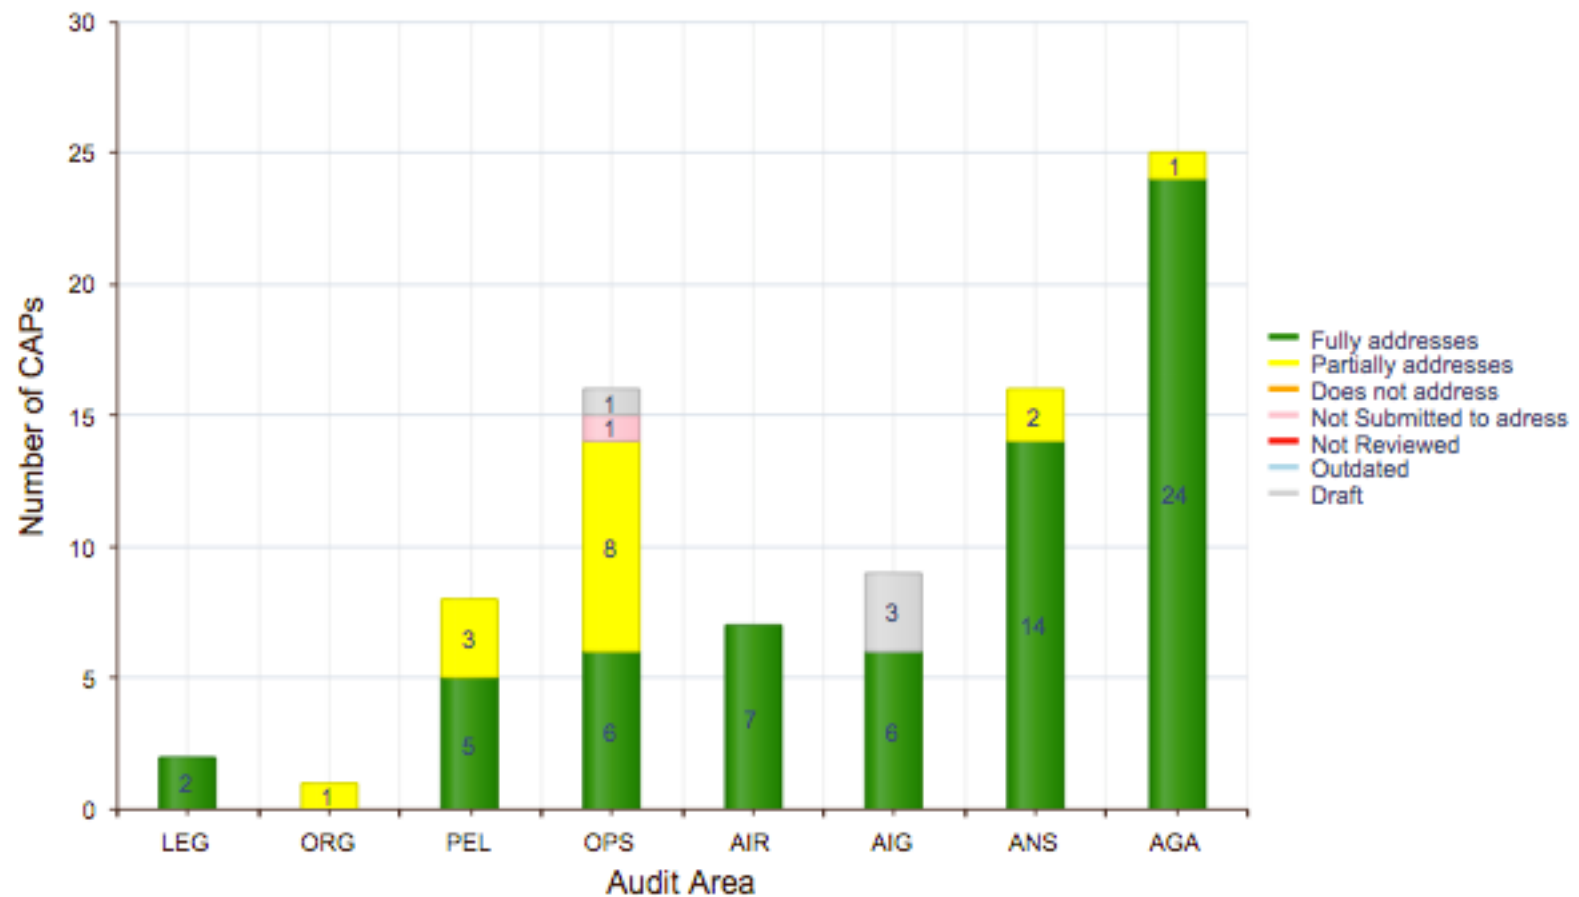

CAPs reviewed by ICAO, Last Updated On 28 Sep 2017

CAPS STATUS

GACA New Identity

- New GACARS - 1st of March, 2016
- New organizational structure
- New management
- Expanding industry – New operators/certificate holders
- New strategy - Separation between operational and regulatory functions

USOAP–CMA 2019

- ◆ Focus on measuring our current status:
 - ◆ CAPs are irrelevant
 - ◆ answering all PQS
- ◆ GACA officially requested a *full* USOAP audit to ensure alignment with all the ICAO SARPS
- ◆ GACA requested a cost recovery USOAP-CMA training (April 2018)
- ◆ NCMC assigned 10 coordinators (8 areas + Training & SMS)

Thank you
