

ACI's initiatives in Promoting Security Culture for Airports

ICAO MID
Regional Security Culture Webinar
24-25 Nov 2021

Table of Content

- 1) Why is security culture important?
- 2) Promotion and assessment of security culture
- 3) ACI's initiatives

Airport processes are becoming fully self-service....

Self-service check-in

Self-service bag drop

Why isn't security fully self-service yet?

Automated border control

Automated boarding

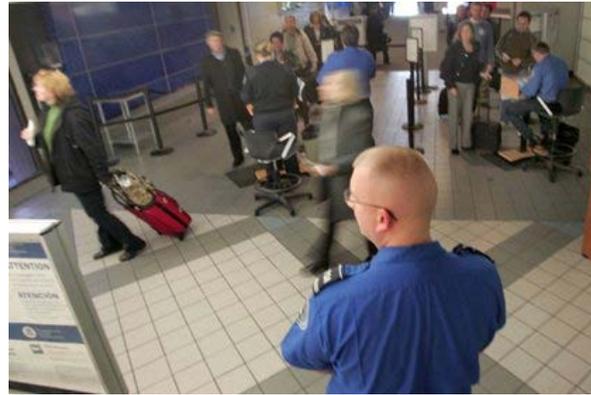

Human beings are still indispensable in aviation security

Humans are simply not fully replaceable yet

Handling of unattended bags

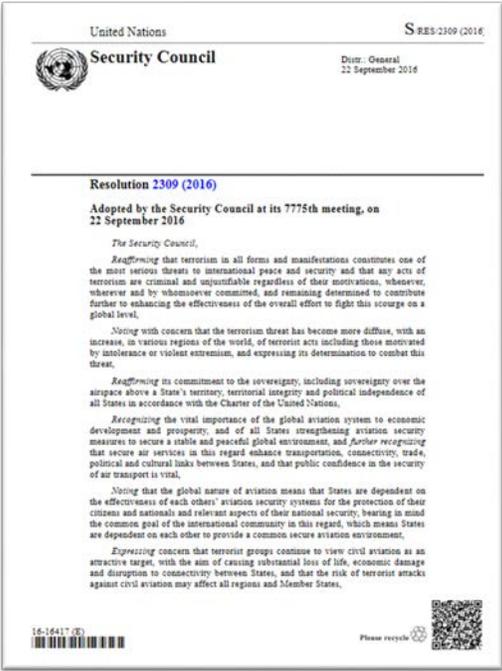

Identification of suspicious behavior

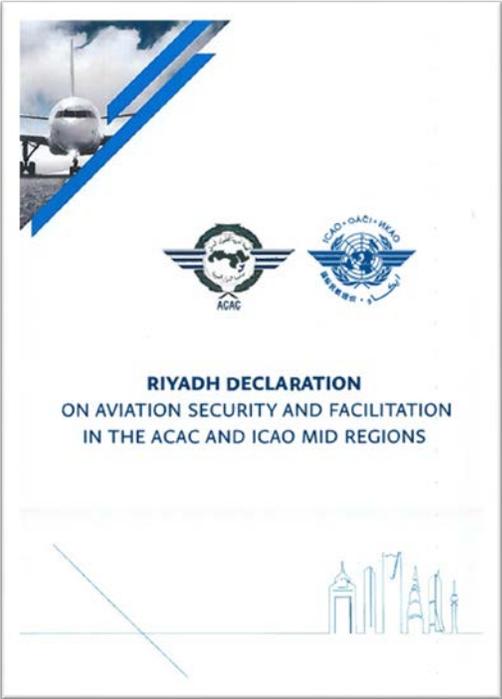

Crisis response

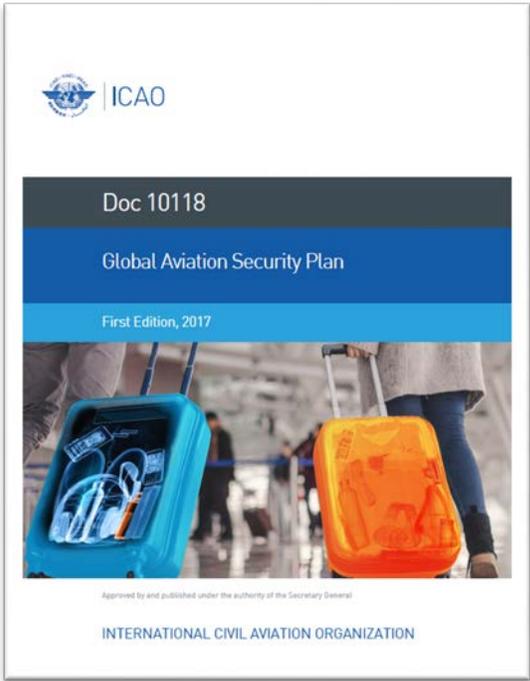

Security culture has been a key priority at global & regional level

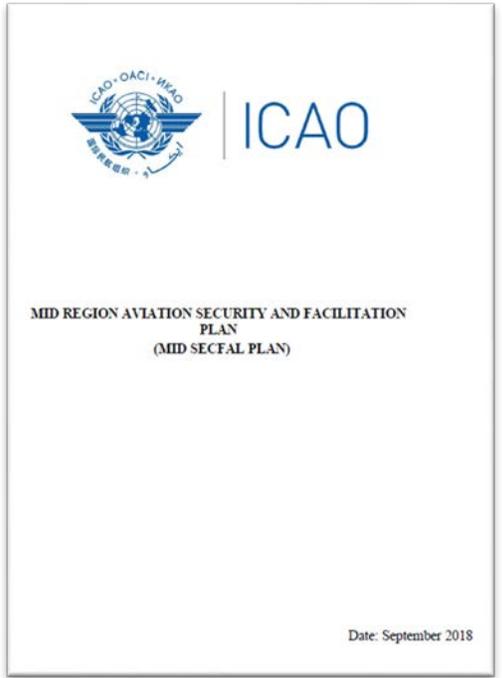

UN Security Council Resolution 2309 (2016)

Riyadh Declaration (2016)

Global Aviation Security Plan (GASeP) (2017)

MID SECFA Plan (2018)

Possible new Annex 17 RP in Nov 2022

3.4.7 Security Culture

"....State should require entities involved with.... the implementation of NCASP.... to promote, develop and implement security culture"

Despite the benefits of security are widely recognised, many airports are still unsure about what to do, and where to start?

Some examples in **promoting** security culture

Secure top management's support

- A declaration of intent
- lead by example

Make everyone engaged

- Threat and risk trainings
- Security awareness campaign
- Targeted communications

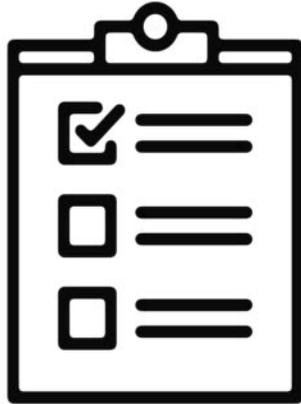

Provide the right environment

- Just culture
- Active reporting
- Staff rewards & recognition

Some examples in **assessing** security culture

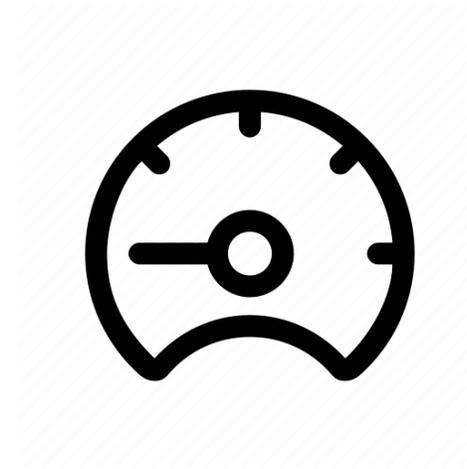

Security culture survey

Potential area of questions

- i. General perception
- ii. Personal ownership
- iii. Leadership & commitment
- iv. Awareness and communication
- v. Reporting
- vi. Training
- vii. Corporate security

Other indicators

- i. Security breach records
- ii. Covert or overt testing
- iii. TIP scores
- iv. Inspections or audit results

New free ACI handbook to assist airports on security culture

A Guide to Promoting and Assessing Security Culture for Airports

1st edition, September 2021

By Regional Aviation Security Committee (RASC)

Scope of the handbook

1) How to **promote**?

- obtain top management's support
- make all stakeholders responsible
- provide right environment for developing positive culture

2) How to **assess**?

- security culture survey
- other tools & indicators
