Presented by

**Mr. Diego Martinez**

Acting Deputy Director, Technical Cooperation Bureau &  
Chief, Global Aviation Training

1 to 3 November 2022

## ICAO's Implementation Support

### SARPs Development

Development of agreements, policies and standards to support diplomacy and cooperation in air transport

Achieve the sustainable growth of the global civil aviation system

### SARPs Implementation & Capacity Building

Support Member States in implementing ICAO SARPs in an efficient, cost-effective, orderly and sustainable manner in all civil aviation areas.

# Concept

Better **support** States through “**One ICAO**” by aligning all technical **implementation** support activities from **inception** of **new standard** to **full implementation**

Organization shift to implementation support
