Doha has two airports available, with three (3) runways in operation, to handle the majority of visitors to the World Cup.

The demand across both airports will be managed via the IATA Level-3 Slot Coordination Principles from 30 October 2022 to 25 December 2022.

Operational Plan includes infrastructure developments and capacity enhancement initiatives.

Revised Forecast traffic figures estimate 1000 movements per day on average and on peak days a maximum of 1600 movements. (To be confirmed)
