

Mr. Jehad Faqir

Mr. Jehad Faqir a Jordanian national brings over 39 years technical experience and professional leadership while working in the aviation industry.

He started his carrier at Royal Jordanian Airlines in 1976 where he held numerous managerial positions within the airline encompassing Production, Engineering developments, Technical Planning, Avionics Shops and IT. During that period, he was actively involved with various regional organizations including ICAO, Arab Civil aviation Commission (ACAC), Arab Air Carrier Organization (AACO) where he served as a Vice chairman of AACO Operations Committee and the head of Avionics Subcommittee for several years.

From there, in 2000 his career path took him to IATA Middle East office as Director Safety, operations & Infrastructure with responsibility covering technical & operational aspects of airport and air navigation services, CNS/ATM developments and implementation; as well as matters related to regional flight safety

In 2007 he joined ICAO Middle East regional Office as Deputy Regional Director and Technical Team leader.

In March 2014 he re-join IATA Africa & Middle East regional office taking responsibility of Safety & Flight Operations Middle East & North Africa.

He attended numerous training and managerial courses in aviation field and holds a Master of Science degree in Applied Electronics.
