

مركز قطر للمراقبة الجوية Qatar Air Traffic Control Center

The statistics programme: an essential tool for ICAO's activities

- Why do we need statistics?
- Report to ICAO Council through the Appendix tables of the Annual Report of the Council
https://www.icao.int/annual-report-2021/Documents/ARC_2021_Air%20Transport%20Statistics_final_sched.pdf
- Monitor ICAO Strategic Objectives
 - Air travel safety rates
 - The environmental impact on air transport (fuel efficiency, etc.)
 - The sustainable air transport development (traffic growth, financial situation, etc.)
- Analyze the air transport market and forecasting
- Assess the impact of new regulations and negotiate bilateral agreements
- Plan the development of airport and ANS facilities
- Implement future strategies

****Calculate the individual financial contribution of States**
