REPORT ON AGENDA ITEM 2: REVIEW STATUS OF CONCLUSIONS AND DECISIONS FROM MIDANPIRG/6 WHICH ARE RELEVANT TO CNS/ATM

2.1 The meeting was presented with a list of conclusions and decisions adopted by MIDANPIRG/6 relevant to CNS/ATM matters, attached at **Appendix 2A** to the report on Agenda Item 2.

2.2 The meeting was also presented with a summary of the follow up actions taken on the conclusions and decisions of MIDANPIRG/6 which were relevant to CNS/ATM matters, attached as **Appendix 2B** to the report on Agenda Item 2.

2.3 The secretariat while summarizing the follow-up actions taken with regards to MIDANPIRG/6, Conclusion 6/1 (*Uniform Format for the Reporting of WGS-84 implementation*), presented the meeting with a list of the status of WGS-84 implementation and uniform format reporting in the MID region at **Attachment to Appendix 2B** to the report on Agenda Item 2. The list showed that ten States had implemented WGS-84, while only eight States had reported uniform format. The meeting inquired about the status of Syria and Qatar, as these two States had implemented WGS-84 which was not reflected in their reporting of uniform formatting. The secretariat informed the meeting that the MID Regional Office was awaiting the responses from States that had not yet reported uniform formatting.
