

MID RNP/RNAV TF/5
Report on agenda Item 6

Agenda Item 6: Any other business

6.1 Under this Agenda Item the Task Force agreed that the next RNAV/RNP Task Force meeting be organized during the first quarter of 2002. The meeting was of the view that taking into account the tentative date of 28 November 2002 for Phase 2 RNAV/RNP implementation, the need for organizing more Task Force meetings, at short intervals, might become necessary.

6.2 The Task Force was of the view that in future all ATS routes within the MID Region be projected in color using the video projector and the ICAO Secretariat be provided with the necessary tools for making color map video projections depicting the MID ATS route networks and airspace configurations.
