

2025 ICAO AVIATION CLIMATE WEEK

MONTREAL, CANADA | 2 - 4 JUNE

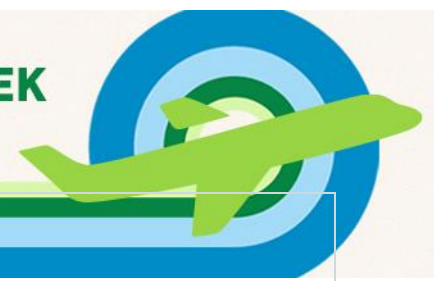

ICAO 

Day 1 – Monday, 2 June, 2025

	Assembly Hall (AH)	
07:30 – 09:00	Networking Morning Coffee <i>by Bombardier</i>	  Bombardier
Master of Ceremony, Sarah Ghannoum, Social Media Specialist, International Civil Aviation Organization – ICAO		
09:00 – 10:15	Opening High-Level Panel – <i>Skyward Action - Realizing Aviation's Sustainable Future: Three years after the Adoption of the LTAG</i> This Session will gather high-level speakers to take stock of the progress made in the decarbonization of the aviation sector since the adoption of the LTAG. It will enable stakeholders to highlight their expectations for the three upcoming years. Setting the Scene and Moderator: Jane Hupe, Deputy Director, Environment, International Civil Aviation Organization – ICAO <ul style="list-style-type: none"> • Salvatore Sciacchitano, President of the Council of ICAO • Junrong Liang, President of the Air Navigation Commission - ANC, ICAO • Dionisio Mendez, Representative of Mexico to ICAO and Chairperson of the Climate and Environment Committee • Eileen Poh, Representative of Singapore to ICAO and Chairperson of the Council Small Group on Financing • Michael Lunter, Chairperson, ICAO Committee on Aviation Environmental Protection - CAEP 	
10:15 – 10:30	Virtual Keynote Speech by Martin Krause, Director Climate Change Division, United Nations Environment Programme - UNEP	
10:30 – 11:00	Coffee Break <i>by ICAO</i>	 
11:00 – 11:05	Virtual Keynote Speech by Mike Horn, Professional Explorer and Adventurer: <i>Getting Inspired by one of the greatest explorers of our time.</i>	
11:05 – 12:00	How is the Industry Preparing For Net-Zero? Moderator: Haldane Dodd, Executive Director, Air Transport Action Group – ATAG <ul style="list-style-type: none"> • Justin Erbacci, Director General, Airports Council International – ACI • Jan Pie, Chair, International Coordinating Council of Aerospace Industries Associations – ICCAIA • Michael Comber, Director of ICAO Relations, International Air Transport Association – IATA, with a Virtual Address from Willie Walsh, Director General of IATA 	

2025 ICAO AVIATION CLIMATE WEEK

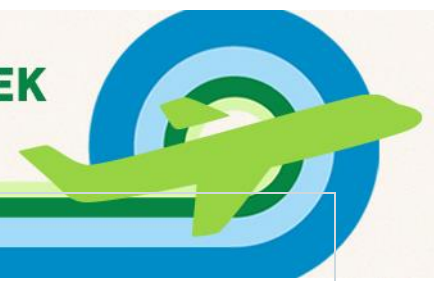

MONTREAL, CANADA | 2 - 4 JUNE

	<ul style="list-style-type: none"> • Michelle Bishop, Director Programmes, Civil Air Navigation Services Organization – CANSO • Cpt. Priya Doobaree, Representative of IFALPA to ICAO
12:00 – 12:30	<p>Session 1 - Climate Impact Outlook and Progressing on Non-CO₂ Aviation Emissions</p> <p>Following up on the 2024 ICAO Symposium on Non-CO₂ Aviation Emissions, this second part of Session 1, will focus on the way forward to encourage more data, measurements and trials to progress on understanding and mitigating non-CO₂ aviation emissions.</p> <p>Moderator and ICAO Scene Setting: Neil Dickson, Chief Environmental Standards, International Civil Aviation Organization (ICAO)</p> <ul style="list-style-type: none"> • David Lee, Professor of Atmospheric Science, Aviation and Climate Research Group Leader, Manchester Metropolitan University • Nicolás Rivaben, Scientific Officer, Observing Networks and Measurement Division, Infrastructure Department, World Meteorological Organization – WMO • Gareth Horton, Technical Director, Aviation Non-CO₂ Experts Network - ANCEN • Daniel Sauer, Researcher, German Aerospace Center - DLR
12:30 – 14:00	<p>Lunch Break Sponsored by Edmonton International Airport</p> <div>   </div>
14:00 – 14:15	<p>ESG and sustainability efforts at an airport: the example of Edmonton International Airport</p> <p>Marion Chivot-Legris, Director of ESG & Sustainability Strategy, Edmonton International Airport</p> <div>   </div> <p>SKYTALKS</p>
14:15 – 15:00	<p>Session 2: LTAG Monitoring and Accounting – Developing a Global Methodology to Monitor the Achievement of Net-Zero</p> <p>The session will address the monitoring, reporting and accounting of CO₂ emissions from technology, operations and fuels. The latest development on the ICAO LTAG Monitoring and Reporting methodology will be showcased.</p> <p>Moderator: Michael Lunter, Chairperson, ICAO Committee on Aviation Environmental Protection – CAEP</p> <p>ICAO Scene Setting by Alejandro Block Novelo, Environment Officer, ICAO</p>

2025 ICAO AVIATION CLIMATE WEEK

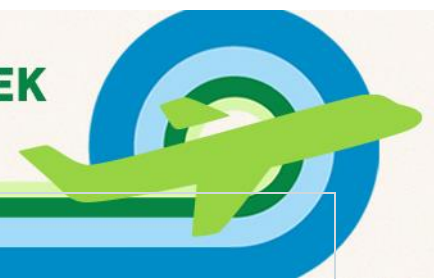

MONTREAL, CANADA | 2 - 4 JUNE

	<ul style="list-style-type: none"> • Dr. Philippe A. Bonnefoy, Founder and Chief Executive Officer (CEO), BlueSky • Michael Schneider, Assistant Director Sustainability Programs, International Air Transport Association – IATA • David Moroz, Head of International Negotiations, Aviation Decarbonisation Division, Aviation Directorate, Department for Transport, United Kingdom • Dr. Paolo Frankl, Head, Renewable Energy Division, International Energy Agency
15:00 – 15:15	<p>Special Session – Shaping the Next Generation for a Sustainable Aviation</p> <p>Suzanne Kearns, Founding Director of the Waterloo Institute for Sustainable Aeronautics, Associate Professor, Aviation, University of Waterloo</p>
15:15 – 15:45	<p>Coffee Break by ICAO</p>  
15:45 – 16:00	<p>Special Session - What's the Latest on Supersonics?</p> <p>Moderator and ICAO Scene Setting: Daniel Langlois, Environment Officer - Noise, ICAO</p> <ul style="list-style-type: none"> • Dr. Sebastian Eastham, Senior Lecturer in Sustainable Aviation, Imperial College London • Ivan de Lépinay, Senior expert on noise and standards, Environment & Sustainability section, European Union Aviation Safety Agency - EASA
16:00-17:15	<p>Session 3: Aircraft Technologies to Mitigate Aviation Emissions</p> <p>This session will bring forward the airframe and engine design concepts needed to tackle aviation climate impact. The ICAO efforts in making more stringent aeroplane CO₂ emissions and noise design Standards will be at the center of discussions.</p> <p>Moderator: Philippe Fonta, Head of Sustainable Aviation and Advanced Air Mobility, Bureau Veritas Aeronautics & Space Division</p> <p>ICAO Scene Setting by Yury Medvedev, Environment Officer - Emissions, ICAO</p> <ul style="list-style-type: none"> • Bertrand de Lacombe, Head of Regulatory and External Engagement, Airbus • Brandon Graver, Director, Environmental Affairs, Airlines for America • Vincent Foucart, Programme Officer, Clean Aviation Joint Undertaking • Jim Hileman, Vice President and Chief Engineer of Sustainability and Future Mobility, Boeing • Enguerran Michel, Director Research & Technology, Bombardier • Vinicius di Nucci, Head of Zero Emissions Vertical Project, Embraer • Val Miftakhov, Chief Executive Officer and Founder, ZeroAvia

2025 ICAO AVIATION CLIMATE WEEK

MONTREAL, CANADA | 2 - 4 JUNE

17:15-17:30

Reflections from Japan: Collaboration Between Aviation, Policy, Energy & Finance Sectors

Moderator: Mildred Troegeler, Executive Liaison to ICAO, Boeing

- Brian Moran, Chief Sustainability Officer, Boeing
- Ambassador Toshiyuki Onuma, Ambassador to the Delegation of Japan to ICAO

PLATINUM SPONSOR & EXHIBITOR

INDUSTRY
SKYTALKS

17:30-19:00

Welcome Reception by Boeing

PLATINUM SPONSOR & EXHIBITOR

End of Day 1

Day 2 – Tuesday, 3 June, 2025

Assembly Hall (AH)

07:30 – 09:00

Networking Morning Coffee by Abatable

BRONZE SPONSOR

09:00 – 09:15

Daily Kick-Off – Disruption or Optimization

Dr. Bertrand Piccard, Chairman of Climate Impulse, President of the Solar Impulse Foundation

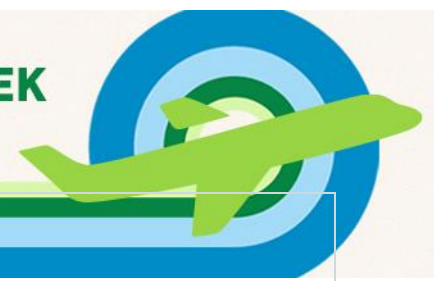

09:15 – 10:15

Session 4: Building the ecosystem for electric- and hydrogen-powered aircraft

What will electrification bring to aviation's climate effects? The major benefits and challenges will be addressed for the entire sector, including through Advanced Air Mobility. When will Hydrogen take flight commercially? The session will focus on how to build an ecosystem that is ready for these cutting-edge technologies, addressing associated opportunities, systemic environmental benefits and challenges.

2025 ICAO AVIATION CLIMATE WEEK

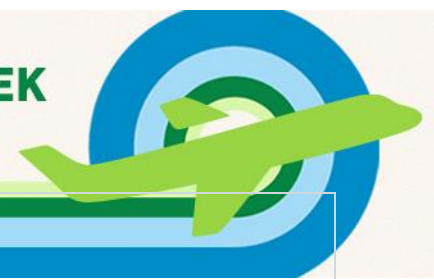

MONTREAL, CANADA | 2 - 4 JUNE

	<p>Moderator: Christian Schleifer, Representative of Austria to the ICAO Council</p> <p>ICAO Scene Setting by Alejandro Block Novelo, Environment Officer, ICAO</p> <ul style="list-style-type: none"> • Eric Lefebvre, Chief Executive Officer, H2CanFly • Marion Chivot-Legris, Director of ESG & Sustainability Strategy, Edmonton International Airport • Helen Leadbetter, Technical Strategy Lead - Zero Emissions Flight, Future Safety & Innovation, United Kingdom Civil Aviation Authority • Ghassan Zubi, Consultant on Renewable Energy • Philippe Fonta, Head of Sustainable Aviation and Advanced Air Mobility, Bureau Veritas Aeronautics & Space Division
10:15 – 10:30	<p>Julien Manhes, Head of Sustainable Aviation Fuel and Carbon Dioxide Removals, Airbus</p> <p>INDUSTRY SKYTALKS</p> <p>PLATINUM SPONSOR & EXHIBITOR</p> <p>AIRBUS</p>
10:30 – 11:00	<p>Coffee Break by Bayer</p> <p>SILVER SPONSOR</p> <p>BAYER</p>
11:00 – 11:40	<p>Session 5: Operations to Mitigate Aviation CO₂ and Non-CO₂ Emissions</p> <p>Innovations in air traffic management improvements and ground operational measures to reduce CO₂ and non-CO₂ emissions will be presented.</p> <p>Moderator: Bridget Donaldson, Sustainable Aviation Fuels Research Specialist, University of Oxford</p> <p>ICAO Scene Setting by Deniz Kaymak, Associate Environment Officer, ICAO</p> <ul style="list-style-type: none"> • Tom Light, President and Chief Executive Officer, Aviation Climate Taskforce - ACT • Nicolas Launey, Business Leader Air/Ground Collaboration & Sustainable Aviation, Thales Green Operations, Thales • Ilona Sitova, Senior Aviation Sustainability Expert, EUROCONTROL Maastricht UAC • Celier Aparicio Arispe Rosas, Representative of the Plurinational State of Bolivia at the ICAO Council. • Flora Mwanshinga, Director of Air Navigation Services, Tanzania Civil Aviation Authority

2025 ICAO AVIATION CLIMATE WEEK

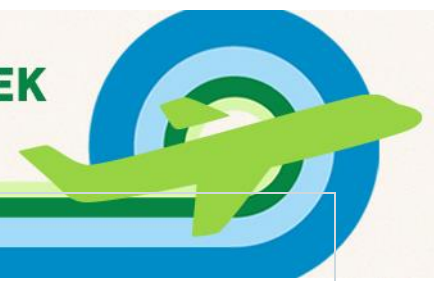

MONTREAL, CANADA | 2 - 4 JUNE

11:40 – 11:55	<p>Operational Efficiency in Growing Traffic Areas: Challenges and Solutions</p> <p>Denis Bonnet, Vice President Research, Technology & Innovation, AVS Global Business Unit, Thales</p> <p>THALES Building a future we can all trust</p> <p>EXHIBITOR</p> <p>INDUSTRY SKYTALKS</p>
11:55 – 12:30	<p>Session 6: Green Airports</p> <p>Building upon the success of the ICAO seminar in April 2024, the session will cover innovations aimed at achieving zero carbon roadmaps for airports, as well as airport management, transition to cleaner energy sources and sustainable infrastructure.</p> <p>Moderator: Jennifer Desharnais, Senior Director, Environmental Protection and Sustainability, ACI World</p> <p>ICAO Scene Setting by Sophia Olmos, Associate Environment Officer, ICAO</p> <ul style="list-style-type: none"> • Eric Chiabo, Chief Technical Officer, Vinci Airports Brazil • Mathieu Boutitie, Corporate Executive Vice President, Chief Technical Officer, Kansai Airports • Wendy Avis, Director, Climate and Environment, Vancouver Airport Authority • Sven Deckers, Director Sustainability, Dubai Airports • Todd Ernst, Director, Energy and Environment, Greater Toronto Airports Authority
12:30 – 14:00	<p>Lunch Break by 1PointFive</p> <p>GOLD SPONSOR</p> <p>1POINTFIVE</p>
14:00 – 14:15	<p>Caroline Jung, Carbon Solutions Manager, Carbon Engineering</p> <p>&</p> <p>Dan Williams, Senior Manager Aviation Policy, 1PointFive</p> <p>GOLD SPONSOR</p> <p>1POINTFIVE</p> <p>INDUSTRY SKYTALKS</p>
14:15 – 15:00	<p>Accelerating the Aviation Cleaner Energy Transition</p> <p>Session 7.1 - Taking Stock of Increased SAF Production</p> <p>This Session will showcase innovations and projects dedicated to the production, the distribution and the uptake of SAF, LCAF and other aviation cleaner energies.</p> <p>Moderator: Louise Burke, Vice President, Strategic Business Development NA Renewables and Global Head of Aviation, Argus Media</p> <p>ICAO Scene Setting by Bruno Silva, Environment Officer – SAF & LTAG, ICAO</p>

2025 ICAO AVIATION CLIMATE WEEK

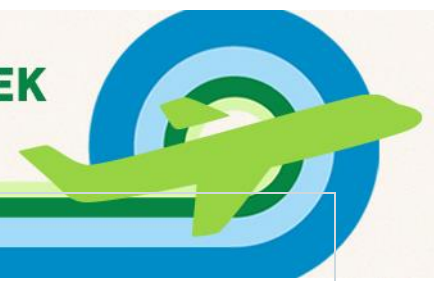

MONTREAL, CANADA | 2 - 4 JUNE

	<ul style="list-style-type: none"> • Matthias Berninger, Executive Vice President, Head of Public Affairs, Sustainability and Safety, Bayer • Fabrice Espinosa, Founder and Chief Executive Officer (CEO), Asia SAF Association - ASAFA • Agustín Torroba, International Specialist in Biofuels and Renewable Energy and Executive Secretary of the CPBIO, Inter-American Institute for Cooperation on Agriculture (IICA) and Pan American Coalition on Liquid Biofuels (CPBIO) • Milena Fajardo, Head of Fuel and Sustainability, ALTA - Latin American and Caribbean Air Transport Association • Daniel Lopes, Executive Vice President of Sustainability and Business Development, FS
15:00 – 15:45	<p>Accelerating the Aviation Cleaner Energy Transition Session 7.2 - High-Level Panel: Implementing the Global Framework for SAF, LCAF and Cleaner Energy</p> <p>This Session will address the progress towards the implementation of the CAAF/3 Global Framework, including the latest policies and regulatory framework adopted to support the development and deployment of SAF, LCAF and other aviation cleaner energies. This Panel will include a Special Discussion on Book&Claim.</p> <p>Moderator: Maryam Ali Al-Balooshi, State Lead Negotiator for Aviation Climate Change, Vice Chair and UAE member in the ICAO CAEP, United Arab Emirates</p> <p>ICAO Scene Setting by Tetsuya Tanaka, Chief Climate Change, ICAO</p> <ul style="list-style-type: none"> • Catherine Guillemart, Vice President Public Affairs Canada, Representative to ICAO, Airbus • Anna Stukas, Vice President Strategic Partnerships, 1PointFive • Martin Massé, Vice President, Public Affairs, Communication and Sustainability, Aéroports de Montréal - ADM • Vinicius di Nucci, Head of Zero Emissions Vertical Project, Embraer • Dimitris Orfanidis, Head Investment Analysis Division, Saudi Aramco
15:45 – 16:15	<p>Coffee Break by CFP Energy</p> <div>  <p>SILVER SPONSOR & EXHIBITOR</p> </div>
16:15 – 16:45	<p>Accelerating the Aviation Cleaner Energy Transition Session 7.3 - Implementation Support to Scale-up SAF</p> <p>This Session will include the latest developments to support States and relevant stakeholders under the ICAO ACT-SAF programme, which is leading the way on investigating the feasibility of producing SAF in developing countries.</p> <p>Moderator: Jane Hupe, Deputy Director Environment, ICAO</p> <p>ICAO Scene Setting by Jesper van Manen, Environment Officer – ACT-SAF - ICAO</p>

2025 ICAO AVIATION CLIMATE WEEK

MONTREAL, CANADA | 2 - 4 JUNE

- **Martín Mackenna Rueda**, Secretary General, Junta de Aeronáutica Civil, Ministerio de Transportes y Telecomunicaciones, **Chile**
- **Brian Moran**, Chief Sustainability Officer, **Boeing**
- **Frank Mischler**, Director Policy, **International PtX Hub** (implemented by the Gesellschaft für Internationale Zusammenarbeit - GIZ)

16:45 – 17:15

Special Session – Celebrating Three years of the ACT-SAF Programme

Moderator: Jane Hupe, Deputy Director Environment, **ICAO**

Introduction by Bafétigué Ouattara, Ambassador of Côte d'Ivoire to Canada
& Mathilde Tannous, ACT-SAF Consultant

With ACT-SAF Contributors:

- **Dr. Verena Cozac-Brendl**, Senior Expert – Aviation Strategy and Bilateral Affairs, **Austrian Civil Aviation Authority**
- **Ambassador Florence Cormon-Veyssière**, Representative of France to ICAO
- **Richard Ossendorp**, Representative of the Netherlands to ICAO
- **Joe Delafield**, Deputy Director for Aviation Decarbonisation, **Department of Transport, United Kingdom**
- **Delphine Micheaux-Naudet**, Representative of the European Union to ICAO
- **Catherine Guillemart**, Vice President Public Affairs Canada and Airbus Representative to ICAO, **Airbus**
- **Ambassador Sergio Martes**, Representative of Italy on the ICAO Council
- **Urs Ziegler**, Head Environmental Affairs Section, **Federal Office of Civil Aviation Switzerland - FOCA**

17:15 – 19:00

Reception *by Airbus*

 PLATINUM SPONSOR

**ACT-SAF Ceremony - A Tripartite Commitment:
Celebrating Airbus, Volaris, and ICAO's Joint
Initiative for SAF in Mexico**

AIRBUS

- **Catherine Guillemart**, Vice President Public Affairs Canada and Airbus Representative to ICAO, **Airbus**
- **Juan Carlos Salazar**, Secretary General, **ICAO**
- **Dr. Miguel Vallin Osuna**, Director of the **Federal Civil Aviation Agency of Mexico (AFAC)**
- **Ricardo Capilla**, Airbus Chief Representative Mexico, **Airbus**
- **Dionisio A. Pérez-Jácome Friscione**, Vice President Corporate Affairs and Sustainability, **Volaris**

End of Day 2

Day 3 – Wednesday, 4 June, 2025

	Assembly Hall (AH)	
07:30 – 09:00	Networking Morning Coffee by Aéroports de Montréal	
09:00 – 09:15	Daily Kick-Off Anshari Rahman, Director, Policy and Analytics, GenZero	
09:15 – 10:30	Session 8.1 - High Level Panel – Unlocking Climate Finance Needs and opportunities to finance aviation decarbonization projects, as well as the latest developments on the operationalization of ICAO FINVEST Hub, will be showcased. Moderator: Anshari Rahman , Director, Policy and Analytics, GenZero ICAO Scene Setting by Erlina Ang , Associate Environment Officer, ICAO <ul style="list-style-type: none"> • Virtual Address by Magda Kopczykńska, Director General for Mobility and Transport, European Commission • Isabel Galiana, COO & Co-Founder, Future Energy Global • Dr. Oyun Sanjaasuren, Director of External Affairs, Green Climate Fund • Bertrand Millot, Head Sustainability, Caisse de Dépôt et Placement du Québec (CDPQ) • Maryam Telmesani, Vice President of Sustainability, SAUDIA Group • James Falzon, Associate Director, sustainable infrastructure, European Bank for Reconstruction and Development (EBRD) 	
10:30 – 11:00	Coffee Break by Fedepalma	
11:00 – 11:45	Special Session – ICAO x IRENA – Global Cooperation to Unlock Climate Finance <ul style="list-style-type: none"> • Juan Carlos Salazar, Secretary General, ICAO • Virtual Address by Francesco La Camera, Director General, International Renewable Energy Agency - IRENA 	

2025 ICAO AVIATION CLIMATE WEEK

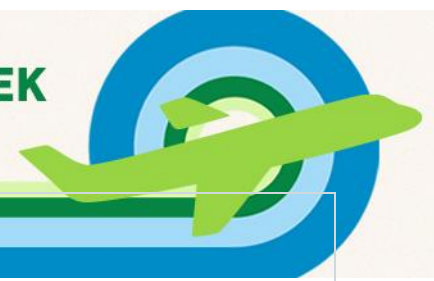

MONTREAL, CANADA | 2 - 4 JUNE

	<ul style="list-style-type: none"> • Erick Ruiz Araya, Deputy Director, Project Facilitation and Support (PFS), International Renewable Energy Agency - IRENA • Jane Hupe, Deputy Director Environment, ICAO
11:45 – 13:30	Lunch Break by ICAO  
13:30 – 15:00	Session 9: CORSIA – Implementing Aviation’s Global Market-based Measure <p>With CORSIA entering its first phase in 2024, the session will cover the latest on the implementation of the scheme, including monitoring, reporting, verification, and the emissions units being used to offset CO2 emissions.</p> <p>Moderator: Dionisio Mendez, Representative of Mexico to ICAO</p> <p>ICAO Scene Setting by Manuel Caballero Alarcon, Environment Officer – Market-Based Measures, ICAO</p> <ul style="list-style-type: none"> • Francis Mwangi, Senior Planning Officer, Kenya Civil Aviation Authority; CAEP member of Kenya and Vice-Chairperson of CAEP • Rachid Rahim, Acting Head Aviation Environmental Affairs, Qatar Civil Aviation Authority; Vice-Chair, Technical Advisory Body (TAB) • Azim Norazmi, Manager Climate Policy, International Air Transport Association (IATA) • Tim Johnson, Director, Aviation Environment Federation; CAEP Observer of the International Coalition for Sustainable Aviation (ICSA) • Nael Aoun, Project manager and auditor, Green Certification Department, ClassNK
15:00 – 15:30	Coffee Break by ICAO  
15:30 – 15:45	Special Session - Life after Flying: Discussing Aircraft End-of-Life and Recycling <p>Discussion of the Master of Ceremony with Brent Webb, President, Aircraft Fleet Recycling Association (AFRA) and Executive, CAVU Aerospace</p>
15:45 – 16:30	Session 10: Climate Adaptation and Resilience <p>This agenda item will be covering innovations to adapt to climate change, including adjusting operations and infrastructures to prepare for projected changes in climate.</p> <p>Moderator: Cary Price, Director General Civil Aviation, Trinidad & Tobago</p> <ul style="list-style-type: none"> • Opening Address by the IPCC: Bart van den Hurk, Scientific Director, Co-chair IPCC Working Group 2, Intergovernmental Panel for Climate Change - IPCC • Keynote Speech by Cary Price, Director General Civil Aviation, Trinidad & Tobago - Living Climate Change: Discussion with Small Island Developing States • ICAO Scene Setting by Deniz Kaymak, Associate Environment Officer, ICAO

2025 ICAO AVIATION CLIMATE WEEK

MONTRÉAL, CANADA | 2 - 4 JUNE

	<ul style="list-style-type: none"> • Dr. Sara Basart, Scientific Officer, Global Atmosphere Watch (GAW) Programme, Science and Innovation Department, World Meteorological Organization – WMO • Yacine Kebe, Safety Environment Quality Manager, Dakar Blaise Diagne Airport • Johann G. Goldammer, Director, Global Fire Monitoring Center (GFMC)
16:30 – 17:15	<p>Closing Session – Looking Forward: Realizing Aviation’s Sustainable Future in a World of Changing Risks</p> <p>Moderator: Jane Hupe, Deputy Director Environment, International Civil Aviation Organization – ICAO</p> <ul style="list-style-type: none"> • Giorgio Parolini, Aviation Decarbonisation Lead, World Economic Forum (WEF) • Joe Delafield, Deputy Director for Aviation Decarbonisation, Department of Transport, United Kingdom • Delphine Micheaux-Naudet, Representative of the European Union to ICAO • Ambassador Michel Arslanian Neto, Permanent Representative of Brazil to ICAO • Ambassador Toshiyuki Onuma, Ambassador to the Delegation of Japan to ICAO • Virtual Speech by Poppy Khoza, Director of Civil Aviation, South African Civil Aviation Authority
17:15 – 17:30	<p>Closing Remarks</p> <ul style="list-style-type: none"> • Juan Carlos Salazar, Secretary General, International Civil Aviation Organization - ICAO

End of the ICAO Aviation Climate Week
