

Victor M. Aguado is the Permanent Representative of Spain on the Council of ICAO. He has served as the 1st Vice-President of the Council and as well as, Committee Chairman of: Finance, Air Transport, Technical Cooperation, and Joint Support of Air Navigation Services. Currently he is the Chairman of the Committee on Governance. He also served as the Chairman of the Special Task Force to develop the ICAO Policy on Assistance to Aircraft Accident Victims and their Families.

Before joining the ICAO Council, Mr. Aguado was Director General of EUROCONTROL, the European Organization for the Safety of Air Navigation (2000-2008). Under his lead EUROCONTROL significantly enlarged its membership reaching a pan-European dimension and successfully implemented pivotal pan-European programs enhancing safety, reducing air traffic delays and minimizing costs. Mr. Aguado signed the first agreement with the Commission of the European Union to jointly launch the Single European Sky and the SESAR Program.

Previously, and for four consecutive terms, Mr. Aguado was President of the Air Navigation Commission of ICAO. During his tenure the ICAO Universal Safety Oversight Audit Programme was conceived and approved.

Victor M. Aguado has held high-level positions in Spain, including CEO of ISDEFE (systems engineering). He was appointed Director General of the Cabinet of the Minister of State for Defence, after being Director for Advanced Air Traffic Management Programs in the Ministry of Transport. Mr. Aguado has been a member of the Supervisory Boards of AENA International (airport operator), HISPASAT (satellite communications operator), ISDEFE (systems engineering) and INSA (aerospace engineering). Furthermore, he has also been a member of the Board of Governors of the Flight Safety Foundation and a member of the European Union's Group of Personalities on Security Research as well as of the European Union's High Level Group on the Single European Sky.

Mr. Aguado has been bestowed with a number of national and international honours and awards, among others the American Legion School Award, the Gran Cross of Aeronautical Merit in Spain, the Global NavCom Award in Canada, the Commandeur de l'Ordre de la Couronne in Belgium and the Encomienda of Civil Merit in Spain.

Victor M. Aguado holds a master's degree in Aeronautical Engineering from the Polytechnic University of Madrid, and a Master of Science in Management from the Massachusetts Institute of Technology, MIT.
