EMERGENCY PASSPORTS RETURN TRAVEL DOCUMENTS

Staffan Tilling

Swedish National Police Board

Agenda

- ICAO
- Why an emergency passport
- Issuance
- Security

ICAO TAG/MRTD

- Agrees that there is a need for standards/ best practice to be developed for emergency travel documents in order to protect them from potential use
- Further work by TAG/MRTD New Technologies Working Group (NTWG)

Standards

- Minimum security standards
- Use of a standard name
- Logo?
- Colour and validity of documents

Why an emergency passport

- A document that you don't want to issue
 - Full control of the issuance process?
 - Security in the document?
- Compere with the ordinary passport

Face reality

- Ordinary passports are
 - Stolen
 - Lost
 - Forgotten

Conclusion

- Citizens behavior results in a need to issue passports that don't follow your standard procedures for ordinary passports

The task for the passport agency

- Type of document
 - Valid to almost all countries or
 - Only valid for a journey back home
 - It is your choice

Issuance

- The same process domestically and abroad
- Proof of identity
- Proof of citizenship – access to your records
- Validity of the document

Place of issuance

- Domestically – all application centers?
- Abroad
 - Embassies
 - Consulates - all?

The document

- Booklet
- A4/Letter size paper document
- A strategic decision

Document security

- Most important
 - Integrated photo
 - Visual security features

Security

- It is a blank document – store in a safe environment
- Keep records
- Upon issuance – register in the passport system

Fees

- Cover your costs
- Set the fee to avoid emergency passport instead of ordinary passport
- Set the fee to limit the number of emergency passports

Border control

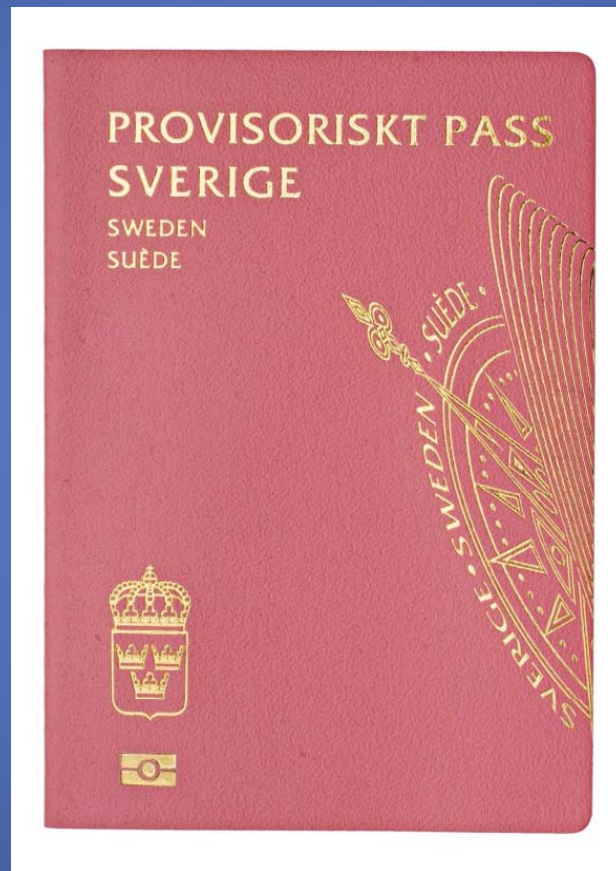

- A document that alerts the border control
- Facilitate the border control
 - The data of the holder according to Doc 9303 datapage

Return of the document

- Establish rules and standards for a robust return system
 - Easy at your border
 - Harder at other borders
