

## JOINT ICAO/ACI/IATA SYMPOSIUM ON ACCESSIBILITY IN INTERNATIONAL CIVIL AVIATION

Inclusive and Universally Accessible Air Transport for Persons with Disabilities and Reduced Mobility

## ICAO HEADQUARTERS, MONTRÉAL, CANADA 2-3 DECEMBER 2024

## **PROGRAMME**

Monday, 2 December 2024		
TIME		
07.00 - 09.00	ON-SITE REGISTRATION	
09.00 - 10.00	OPENING CEREMONY	
	Master of Ceremony: Mr. Denis Chagnon, President, York & Cumberland Communications Inc.	
	Keynote address by Mr. Salvatore Sciacchitano, President of the International Civil Aviation Organization (ICAO) Council	
	Welcome address by:	
	o The Honourable Anita Anand, Minister of Transport of Canada	
	o Mr. Peter Cerda, Regional Vice President, The Americas, IATA	
	o Mr. Justin Erbacci, Director General, ACI World	
10.00 - 10.15	Setting the Scene	
	Presentation by Mr. Mohamed Khalifa Rahma, Director, Air Transport Bureau, International Civil Aviation Organization (ICAO)	
10.15 – 11.00	COFFEE BREAK/NETWORKING SPONSORED BY Canada	
11.00 – 12.00 Session 1	International framework and policies for accessibility inclusion  During this Session, attendees will receive an overview of international treaties, existing Standards and Recommended Practices that pertain to the transportation of persons with disabilities and reduced mobility and their impact on air transport. The Session will review the role of stakeholders and discuss the necessity for consistent regulations and policies and the implementation of international standards, recommendations, and best practices. The Session will also highlight the corresponding regulations of international organizations to ensure that global accessibility standards are implemented by aircraft and airport operators.	

Moderator: Mr. Sylvain Lefoyer, Deputy Director, Aviation Security and Facilitation, ICAO  Speakers:  Prof. Vincent Correia, Co-Director of the Institute of Air and Space Law Full Professor, McGill University  Mr. Rone Almond, Managing Director, International Government Affairs, American Airlines  Mr. Serge Bijimine, Assistant Deputy Minister of Policy, Transport Canada  Mr. Ross Edward Adams, Representative of Australia on the Council of ICAO  Question & Answer Session  Skytalks:  Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines  Woods  LUNCH  Air Travel Barriers: architectural, technological, informational, and human interactions  This Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system.  Moderator: Ms. Kerianne Wilson, Director, Customer Accessibility, Air Canada  Speakers:  Mr. Simon April, Training Manager, Keroul  Mr. Kerkdenny Medina, Accessibility Analyst, Dominican Republic CAA  Dr. Sahar Emann, General Manager Public Relations, Egypt Air  Ms. Sarah Eve De Lisle, Manager, Accessibility and Regulations, Operations, Security and Firefighting, Aéroports de Montreal  Question & Answer Session  Voices of experience: Stories from passengers with disabilities  The Session vill address the challenges faced by passengers with disabilities  The Session will address the challenges faced by passengers with disabilities by their own voice. The goal is to understand what passengers need and the feasible steps to enhance their experience from booking air travel to reaching the travel destination.		
Prof. Vincent Correia, Co-Director of the Institute of Air and Space Law Full Professor, McGill University  Mr. Ronce Almond, Managing Director, International Government Affairs, American Airlines  Mr. Serge Bijimine, Assistant Deputy Minister of Policy, Transport Canada  Mr. Ross Edward Adams, Representative of Australia on the Council of ICAO  Question & Answer Session  12.00 – 12.15  Skytalks:  Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines  Air Travel Barriers: architectural, technological, informational, and human interactions  Air Travel Barriers architectural, technological, informational, and human interactions  Minis Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system.  Moderator: Ms. Kerianne Wilson, Director, Customer Accessibility, Air Canada Speakers:  Mr. Simon April, Training Manager, Keroul  Mr. Kerkdenny Medina, Accessibility Analyst, Dominican Republic CAA  Dr. Sahar Emam, General Manager Public Relations, Egypt Air  Ms. Sarah Eve De Lisle, Manager, Accessibility and Regulations, Operations, Security and Firefighting, Aéroports de Montreal  Voices of experience: Stories from passengers with disabilities by their own voice. The goal is to understand what passengers need and the feasible steps to enhance their experience from booking air travel to reaching the travel destination.		
Full Professor, McGill University  • Mr. Ronce Almond, Managing Director, International Government Affairs, American Airlines  • Mr. Serge Bijimine, Assistant Deputy Minister of Policy, Transport Canada  • Mr. Ross Edward Adams, Representative of Australia on the Council of ICAO  Question & Answer Session  Skytalks:  • Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  • Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines    12.15 - 13.45   LUNCH		Speakers:
American Airlines  • Mr. Ross Edward Adams, Representative of Policy, Transport Canada  • Mr. Ross Edward Adams, Representative of Australia on the Council of ICAO  Question & Answer Session  12.00 – 12.15  Skytalks:  • Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  • Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines  12.15 – 13.45  LUNCH  13.45 – 14.45  Session 2  Air Travel Barriers: architectural, technological, informational, and human interactions  This Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system.  Moderator: Ms. Kerianne Wilson, Director, Customer Accessibility, Air Canada Speakers:  • Mr. Simon April, Training Manager, Keroul  • Mr. Kerkdenny Medina, Accessibility Analyst, Dominican Republic CAA  • Dr. Sahar Emam, General Manager Public Relations, Egypt Air  • Ms. Sarah Eve De Lisle, Manager, Accessibility and Regulations, Operations, Security and Firefighting, Aéroports de Montreal  Question & Answer Session  Voices of experience: Stories from passengers with disabilities  The Session will address the challenges faced by passengers with disabilities by their own voice. The goal is to understand what passengers need and the feasible steps to enhance their experience from booking air travel to reaching the travel destination.		
Mr. Ross Edward Adams, Representative of Australia on the Council of ICAO      Question & Answer Session  Skytalks:      Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy      Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines      Sevence  12.15 – 13.45  LUNCH  Air Travel Barriers: architectural, technological, informational, and human interactions  This Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system.  Moderator: Ms. Kerianne Wilson, Director, Customer Accessibility, Air Canada Speakers:  • Mr. Simon April, Training Manager, Keroul  • Mr. Kerkdenny Medina, Accessibility Analyst, Dominican Republic CAA  • Dr. Sahar Emam, General Manager Public Relations, Egypt Air  • Ms. Sarah Eve De Lisle, Manager, Accessibility and Regulations, Operations, Security and Firefighting, Aéroports de Montreal  Question & Answer Session  Voices of experience: Stories from passengers with disabilities  The Session will address the challenges faced by passengers with disabilities by their own voice. The goal is to understand what passengers need and the feasible steps to enhance their experience from booking air travel to reaching the travel destination.		
Question & Answer Session  12.00 – 12.15  Skytalks:  Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines  (SECTION 2)  12.15 – 13.45  LUNCH  Air Travel Barriers: architectural, technological, informational, and human interactions  This Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system.  Moderator: Ms. Kerianne Wilson, Director, Customer Accessibility, Air Canada Speakers:  • Mr. Simon April, Training Manager, Keroul  • Mr. Kerkdenny Medina, Accessibility Analyst, Dominican Republic CAA  • Dr. Sahar Emam, General Manager Public Relations, Egypt Air  • Ms. Sarah Eve De Lisle, Manager, Accessibility and Regulations, Operations, Security and Firefighting, Aéroports de Montreal  Question & Answer Session  Voices of experience: Stories from passengers with disabilities  The Session will address the challenges faced by passengers with disabilities by their own voice. The goal is to understand what passengers need and the feasible steps to enhance their experience from booking air travel to reaching the travel destination.		Mr. Serge Bijimine, Assistant Deputy Minister of Policy, Transport Canada
12.00 – 12.15  Skytalks:  Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines  Serous  LUNCH  Air Travel Barriers: architectural, technological, informational, and human interactions  This Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system.  Moderator: Ms. Kerianne Wilson, Director, Customer Accessibility, Air Canada Speakers:  Mr. Simon April, Training Manager, Keroul  Mr. Kerkdenny Medina, Accessibility Analyst, Dominican Republic CAA  Dr. Sahar Emam, General Manager Public Relations, Egypt Air  Ms. Sarah Eve De Lisle, Manager, Accessibility and Regulations, Operations, Security and Firefighting, Aéroports de Montreal  Question & Answer Session  Voices of experience: Stories from passengers with disabilities  The Session will address the challenges faced by passengers with disabilities by their own voice. The goal is to understand what passengers need and the feasible steps to enhance their experience from booking air travel to reaching the travel destination.		Mr. Ross Edward Adams, Representative of Australia on the Council of ICAO
12.00 – 12.15  Skytalks:  Ms. Linda Ristagno, Assistant Director External Affairs, IATA, Accessibility and Tourism Policy  Ms. Kathy Kennedy, Senior DOT Consumer Protection Auditor, Alaska Airlines  Serous  LUNCH  Air Travel Barriers: architectural, technological, informational, and human interactions  This Session aims to provide an overview of the current state of accessibility in air travel and its correlation to the barriers identified in the United Nations Convention on the Rights of Persons with Disabilities. It will address the challenges faced by aircraft and airport operators to overcome these barriers and recent research findings to identify gaps, areas for improvement, and potential solutions towards an accessibility-inclusive air transport system. 	Round Table Discussion
	Mr. Josh Vander Vies, Director, Diversity, Inclusion and Belonging, Vancouver International Airport
	Mr. Alberto Casamatti, COO, Air Dolomiti
	Mr. Josh Wintersgill, Founder and Director, Able Move Ltd.
	Mr. Kevin Kline, Community Engagement Representative, GoodMaps
	Question & Answer Session
15.45 – 16.15	COFFEE BREAK/NETWORKING SPONSORED BY Transport Canada
16.15 – 17.30	Importance of global collaboration, mutual standards and
Session 4	<b>practices</b> During the Session, the focus will be on the role of global collaboration and the importance of providing consistent, cohesive, and connected services throughout the passenger journey. The Session will also highlight the impact of existing best practices on the passenger experience. The aim is to facilitate inputs towards developing ICAO's Strategy on Accessibility in International Civil Aviation in line with ICAO Assembly Resolution A41-15 - Accessibility in International Civil Aviation The lessons learned throughout the Symposium would be taken into consideration. <b>Moderator:</b> Mr. Jeff Morrison, President and CEO, National Airlines Council of Canada
	Speakers:
	Ms. France Pegeot, CEO, Canadian Transportation Agency
	Mr. Brian Stansbury, Deputy General Counsel, USDOT
	Mr. Alessio Quaranta, Director General, ENAC
	Mr. Adrian Cioranu, Director of Programmes, iPADIS
	QUESTION & ANSWER PERIOD
17.30 – 17.45	Wrap-up of Day 1

	Tuesday, 3 December 2024	
08.00 - 09.00	ON-SITE REGISTRATION	
09.00 – 10.00 <b>Session 5</b>	Designing for All: Improving infrastructures  This Session will discuss universal design principles and how they can be applied to the aviation ecosystem. Discussions will cover the design of accessible infrastructure, communication, technology, and facilities concerning the inherent right to safety and dignity. Additionally, the Session will consider important factors to consider when new infrastructure is being developed.	
	<b>Moderator:</b> Ms. Emily Yates, Head of Accessibility and Inclusive Design, Mima Group	
	Speakers:	
	Ms. Michele Erwin, President and Founder, All Wheels Up	
	Mr. Roman Romanov, Director, Accessibility Advisory Services, Rick Hansen Foundation	
	Mr. Christophe Allard, Head of Customer Relations, The Americas, Lufthansa Group	
	Mr. Hans-Gerhard Giesa, Senior Expert for Human Factors, Airbus	
	Question & Answer Session	
10.15 – 10.45	COFFEE BREAK / NETWORKING	
10.45 – 11.45 <b>Session 6</b>	Role of technology in enhancing accessibility  This session will highlight the importance of designing accessibility features into existing new, and developing technologies for passengers with disabilities. It will address the barriers faced by passengers with non-visible or non-apparent disabilities when adopting and adapting to technology, including pre-travel, wayfinding, websites, and apps. The session will focus on the potential impact of these technologies on accessibility in air transport, with a specific focus on the passenger experience throughout the journey.	
	Moderator: Ms. Stephanie Cadieux, Chief Accessibility Officer (CAO) Canada	
	Speakers:	
	Mr. Ed Collett, Programme Manager, Air New Zealand	
	Mr. Roberto Castiglioni, Director, Reduced Mobility Rights Limited	
	Dr. Kirk Goodlet, Senior Director, Inter VISTAS Consulting	
	Mr. Jefferson Paulo Pereira, Specialist in Civil Aviation Regulation and Deputy Technical Manager, Consumer Rights, Brazilian Civil Aviation Authority (ANAC Brazil)	
	Question & Answer Session	
11.45 – 12.00	Skytalks:	

12.00 – 12.15	Accessible Airport Design Best Practices  • Mr. Yuzo Koike, Manager, Architecture Facility Department, Airport Operation Division, Tokyo Narita Airport  ACI World: Airports & Accessible Travel Initiatives  • Mr. Danny Boutin, Senior Director, Airport Assessments & Services
	Mr. Jean-Sebastien Pard, Senior Manager Facilitation, Passenger Services and Operations, ACI World
	SKYTALKS
12.15 – 13.45	LUNCH
13.45 – 15.00 Session 7	Mobility in air transport  This Session is intended to highlight feasible solutions to improve the safe transport of mobility aids including wheelchairs; we will look at the solutions to assist persons with disabilities, including invisible disabilities such as autism, impaired hearing and dementia, considering persons with disabilities' rights to freedom of movement and freedom of choice.
	<b>Moderator:</b> Mr. Graham Keithley, Vice President and Deputy General Counsel, Regulatory Legal Affairs, Airlines for America (A4A)
	Speakers:
	Dr. Joseph Pellettiere, Chief Scientific and Technical Advisor, Crash Dynamics, FAA
	Ms. Vanessa Lumia, Dangerous Goods Manager, Air Canada
	Dr. Shelley Roberts, Senior Research Officer, National Research Council of Canada
	Mr. Alan Campbell, Senior Manager International Affairs, IAG International Airlines Group
	Ms. Mildred Troegeler, Boeing Executive Liaison to ICAO and Director Global Regulatory Strategy, Boeing
	Question & Answer Session
15.00 – 15.30	COFFEE BREAK / NETWORKING
15.30 – 16.30	CLOSING SESSION  MOVING FORWARD TOGETHER: WHAT ARE THE NEXT STEPS?
	Dialogue on high-level principles focusing on developing an ICAO Strategy on Accessibility in International Civil Aviation, and the importance of regional and international cooperation to facilitate implementation of Facilitation measures.  Mederators Wr. Sylvain Lefever Deputy Director Aviation Security and
	<b>Moderator:</b> Mr. Sylvain Lefoyer, Deputy Director, Aviation Security and Facilitation, ICAO
