UNITING AVIATION

NO COUNTRY LEFT BEHIND

# *ICAO's Next Generation of Aviation Professionals (NGAP) Programme*

**Henry Gourdjji**

*Head Strategic Planning Coordination and Partnerships  
International Civil Aviation Organization (ICAO)*

Cape Town , South Africa/ 9 August 2018

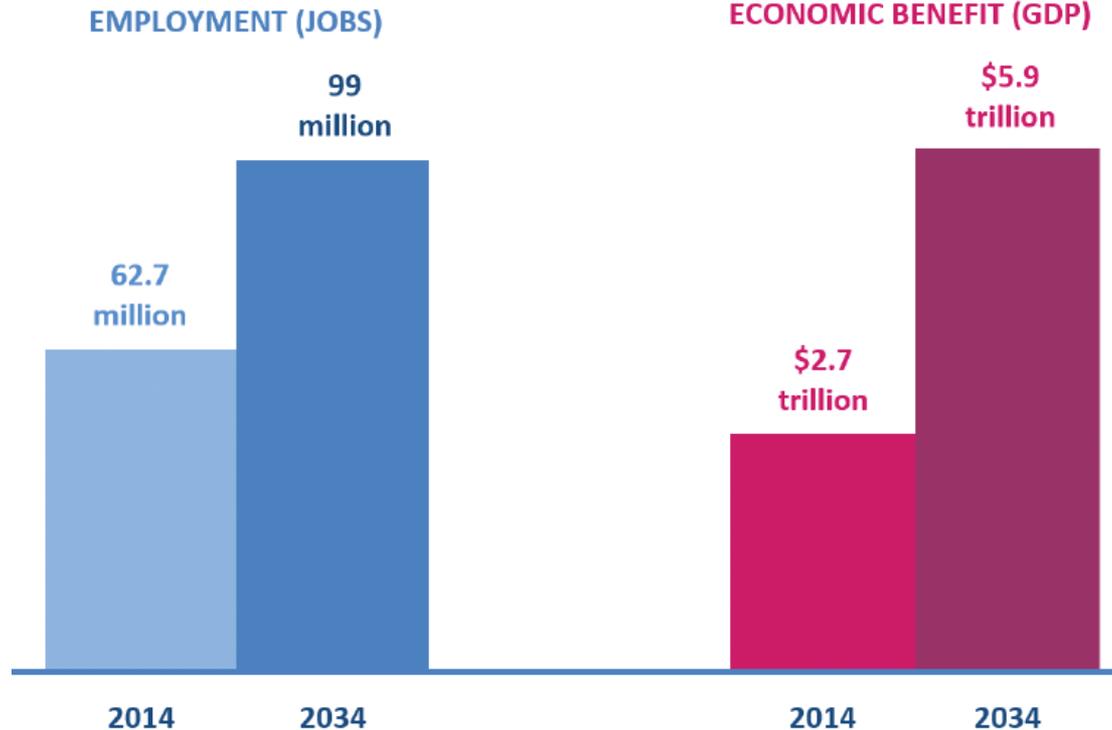

# ICAO and the United Nations Sustainable Development Goals (UN SDGs)

- ICAO'S Strategic Objectives are linked to 15 of the 17 UN SDGs.
- ICAO is committed to work in close cooperation with States and other UN Bodies to support related targets.

# Social and Economic Benefits of Air Transport

# ICAO's NGAP Program Mission

- To bring together States, educational institutions, UN and other actors to **attract and educate** the next generation of aviation professionals and **retain** a competent workforce capable of meeting the needs and challenges of the global aviation community into the future.

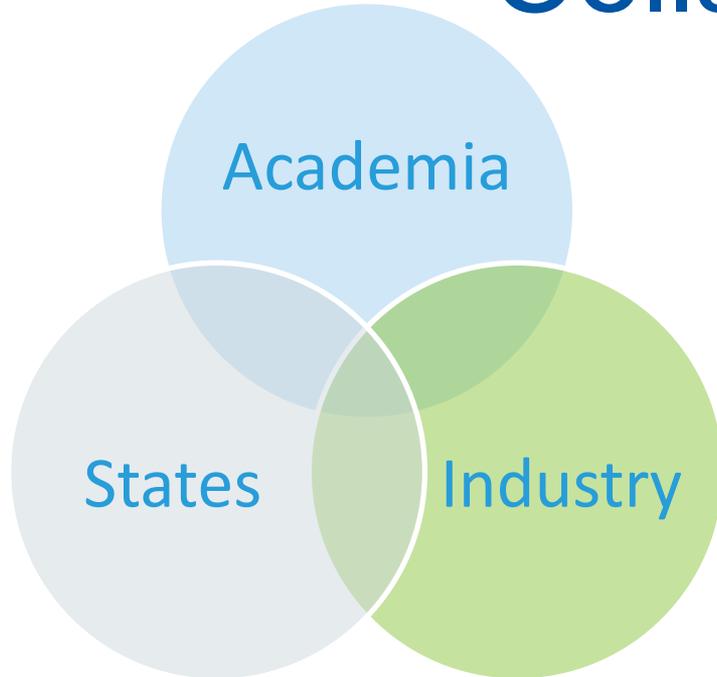

# The scope of the NGAP Program

- a) engage with UN organizations and government bodies;
- b) work with universities and industry;
- c) interact with the research community; and
- d) develop tools and provisions for ICAO Member States and the international civil aviation community.

# Collaboration

- Research (forecasting) and innovation
- Development of strategies
- Relevance of education
- Accessibility to high quality aviation-related education
- Outreach

- **Intended to:**
  - unite the aviation community, education and labour sectors to address strategies and actions for engaging, educating and retaining the next generation of aviation professionals;
  - establish partnerships for the implementation of these actions.
- **Aimed at:**
  - government officials responsible for aviation, transport, education and labor;
  - representatives from industry, academic and training institutions.
