- Q1: What are the key elements that have contributed to the success of CORSIA, and what needs to be done to ensure the future success, including the increase in States' voluntary participation in CORSIA?**
- Q2. How can ICAO ensure that CORSIA remains the global market-based measure for international aviation?**
- Q3. How does CORSIA link with the ambition related to ICAO's long-term aspirational goal/objective? Do you see the same complementary role of CORSIA in the future?**

Mr. Salvatore Sciacchitano
President of the ICAO Council
