# ICAO Facilitation Conference

Doha, Qatar, 14 – 17 April 2025

# Presentation of the Doha Declaration on the Facilitation of International Air Transport

**Juan Carlos Salazar**

Secretary General

International Civil Aviation Organization (ICAO)

# The Doha Declaration: A Road Map

A roadmap for delivering a more efficient, resilient, and sustainable global flight network.

We are asking Ministers to support three key actions:

Champion Stronger  
Border Coordination

1

Drive Digital  
Transformation

2

Build Global  
Consensus on Aviation  
Facilitation

3

Mobility

Resilience

Humanitarian  
Response

## Why the Doha Declaration Matters

Aligning national vision with global strategy

Responding effectively to evolving risks while preserving human dignity

Implementing innovative solutions

Ensuring ambition matches needs

## The Core Commitments of the Doha Declaration

### Strategic Commitments

Recognizing Facilitation as a core enabler

Enhancing cross-agency collaboration

Leveraging digital innovation

### Humanitarian Commitments

Championing inclusivity

Better assistance to accident victims and their families

Combating human trafficking

### Enabling Commitments

Supporting States through *No Country Left Behind*

Ensuring sustainable funding

Strengthening ICAO leadership in TRIP and PKD

## Implementation and Global Action Plan

01

**Ministerial  
Support for  
Framework**

02

**Mobilization  
and  
Partnerships**

03

**Ratification of  
Conventions**

04

**Enhancing  
ICAO's  
Leadership**

## Endorsing the Doha Declaration A Shared Responsibility

**Align**

Ensure alignment  
of policies with  
ICAO Facilitation  
framework

**Implement**

Support for digital  
transformation to  
drive progress

**Monitor**

Cooperation and  
monitoring to  
ensure  
transparency

# Endorse the Future of Air Transport Facilitation

---

# Thank You
