EFFECTIVE AND EFFICIENT BORDER GOVERNANCE

INTERNATIONAL CIVIL AVIATION ORGANIZATION'S TRAVELLER IDENTIFICATION PROGRAMME STRATEGY

IOM promotes the implementation of the International Civil Aviation Organization's Traveller Identification Programme Strategy (ICAO TRIP). ICAO's TRIP Strategy provides a global approach to traveller identification management processes. IOM, through its Immigration and Border Management Division, positions itself as the provider of technical assistance, technologies and capacity-building support to strengthen Member States' traveller identification management capacity.

The five elements of the ICAO Trip Strategy:
