

WORKING PAPER

FACILITATION PANEL (FALP)

SIXTH MEETING

Montréal, 10-14 May 2010

AGENDA

(Presented by the Secretary)

Agenda item 1: Recent Facilitation Developments in ICAO

The Panel will be informed of Facilitation-related developments in ICAO since its fifth meeting.

Agenda item 2: Report on the Outcome of AVSECP/21

The Panel will be informed of the work of the twenty-first meeting of the Aviation Security Panel (22-26 March 2010).

Agenda item 3: Report of the API/PNR Working Group

The Panel will be invited to consider the report of its API/PNR Working Group and take action, as appropriate.

Agenda item 4: Report of the PWD Working Group

The Panel will be invited to consider the report of its PWD Working Group and take action, as appropriate.

Agenda item 5: Review of the health-related SARPs of Annex 9

The Panel will be invited to review Annex 9's health-related SARPs, as requested by Council at a meeting held during the 187th Session, on 11 May 2009, convened to discuss the H1N1 outbreak.

Agenda item 6: Amendments to Annex 9

The Panel will be invited to consider a proposal to amend Recommended Practice 3.47 and other proposals, if any, made by Contracting States for amendments to Annex 9.

Agenda item 7: Report of the Secretariat Study Group on the International Supply Chain

The Panel will be invited to consider the report of the Secretariat Study Group on the International Supply Chain and take action, as appropriate.

Agenda item 8: Other matters

The Panel will be invited to consider other matters concerning the ICAO Facilitation Programme as required and feasible.
