

Bart POUWELS

HEAD OF CARGO, AMSTERDAM AIRPORT SCHIPHOL

As Head of Cargo at Amsterdam Airport Schiphol, Bart is responsible for developing and executing the cargo strategy of Schiphol Cargo.

Since joining Schiphol Cargo in 2008 as Business Development Director, Bart has worked with the logistics community, perishables stakeholders, and pharma leaders around the world to provide solutions, drive best practice, and ensure a vibrant market place.

Additionally, Bart represents Schiphol Cargo in industry and government bodies including Air Cargo Netherlands (ACN), Holland International Distribution Council (HIDC), Amsterdam Logistics Board, and Cargonaut.

Bart has more than 17 years of experience in air cargo, having started his career at Jet Services in the Netherlands, and formerly held the positions of Commercial Director at GTI Noordwest, and Head of Pharma at DHL Express Benelux.
