

Paul HOOPER

As the Regional Officer, Air Transport in ICAO's Asia and Pacific Office, Paul Hooper advises States about liberalization of air transport, regulation, taxation, financing of air transport infrastructure, cost recovery, and other related matters. Prior to joining ICAO in 2002, Paul was an Associate Professor in the Public Policy Programme at the National University of Singapore. As an applied economist, he has 30 years of experience in regulatory, privatization, planning and policy matters spanning all modes of transport. Paul has a PhD from the University of Sydney in addition to a Master of Transport Economics and an Honours degree in Economics.
