A wonderful opportunity to discover the modern and the traditional city of Dubai. Our excursion starts at the magnificent Burj Al Arab Hotel for photos, then onward to Jumeirah mosque. On the way to Bastakia, the old part of the city, we pass impressive palaces of the ruling family of Dubai, and the old wind-towered houses (traditional air-conditioning). Nearby, we visit Dubai Museum in the Al Fahidi Fort, which is almost two centuries old and today is a living monument of Dubai's illustrious and prominent past. Abra, the local water taxi, takes us across the Creek to the fascinating souks of gold and spices.

A thrill on the sands. DTTS will collect you by 4x4 wheel land cruiser which is specially equipped for desert terrain. A short drive will take you to the edge of the red dunes where the adventure starts. For those more adventurous, you will have the opportunity to enjoy skiing down the sands from the high crest of a dune.
