The screenshot shows the ICAO website interface for the 2014 Meteorology (MET) Divisional Meeting. The page features the ICAO logo and name at the top, along with navigation menus and a search bar. A sidebar on the left lists various resources for the meeting, including an agenda, accommodation, documentation, working papers, and information for delegates. The main content area includes a banner image of an airplane on a tarmac with the text "2014 Meteorology Divisional Meeting" and "ICAO Headquarters, Montréal, Canada, 7-18 July 2014". Below the banner is a "Register Online" button. At the bottom, there is a language selection bar and a detailed description of the meeting, noting its joint nature with the Fifteenth Session of the World Meteorological Organization (WMO) Commission for Aeronautical Meteorology (CAeM) including a Technical Conference. The page also contains a paragraph of introductory text about the meeting's purpose.

ICAO Meteorology Divisional Meeting
(in part conjointly with the Fifteenth Session of the World Meteorology Organization (WMO) Commission for Aeronautical Meteorology (CAeM) including Technical Conference)

The International Civil Aviation Organization (ICAO) will be holding the Meteorology Divisional Meeting in Montréal, between 7 and 18 July 2014, in part conjointly with the Fifteenth Session of the World Meteorological Organization (WMO) Commission for Aeronautical Meteorology (CAeM-XV). The participation of Member States of both organizations, as well as invited international organizations, will provide the international civil aviation community the opportunity to address, as a whole, issues vital to the current and future provision of aeronautical meteorological services.
