## CYBER SECURITY AND RESILIENCE SYMPOSIUM

TOWARDS A RESILIENT AVIATION CYBERSPACE

AMMAN, JORDAN | 15-17 OCTOBER 2019

ICAO 2019

75 YEARS OF  
CONNECTING  
THE WORLD

The Purpose of CANSO is to create value for its Members by being the global and regional voice of ATM and by facilitating and supporting improvements in ATM performance.

canso

WHO we are

Members  
represent almost  
**90%**  
of world air traffic

**92**  
Full (ANSP)  
Members

**91**  
Associate  
Members

WHAT we do

## CANSO and its Members

Maintain a network for global ATM experts.

Leverage global expertise to develop policies, positions and guidance to promote best practice in ATM.

Work with regulators, airlines, industry suppliers, airports and other aviation industry stakeholders.

Serve as the global voice of ATM and represent the views of Members.

THE WORLD

HOW we do it

# THROUGH Advocacy and industry engagement

CANSO communicates Member positions to governments, regulators and key stakeholders, and participates in ICAO panels, and task forces.

GLOBAL Force

# THROUGH local expertise

CANSO's regions support Members to implement global best practices and develop tailored regional plans and solutions to improve ATM performance in the region.

Africa

Asia Pacific

Europe

Latin America  
and Caribbean

Middle East

HOW we do it

# THROUGH workgroups and task forces

CANSO hosts a number of Workgroups that bring together global experts to focus on specific functional areas of ATM.
