NEW TECHNOLOGIES WORKING GROUP
2014 Request for Information

SUMMARY PAPER

1. Name of Company or Firm:

2. Name of Technology:

3. Trade Name:

4. Company Address: *(Please include country)*

5. Website Address:

6. Contact Representative:

7. Telephone Number: *(Please include international country codes)*

8. Email Address:

9. Description of Technology:

(In narrative form, please provide information on the product/technology. Please include performance data ensuring that the environment in which performance results were achieved is defined.)

*Summary Paper may not exceed three pages
(If submission does not follow this format, submission will not be considered)*

10. Application of Technology:

(This section will be useful in assisting the reader to understand how you perceive the use of your technology in travel documents and visas, border control systems, or in the facilitation of passengers. Please comment on the technology's potential for global interoperability, and indicate how this technology will improve facilitation and/or security.)

11. Current Use of Technology:

(Describe, if applicable, where and how the technology is currently being used.)

12. Relative Pricing Information:

(This information could provide a basis for measuring costs associated with the use of the described technology.)

Please note that sections 9 to 12 may be as detailed as you choose; however, the total length of the summary paper may not exceed three pages.
