

**Creating synergy through
cooperation**

**Susanne Aigner
Deputy Director Compliance
& Facilitation**

Collaboration

- **WCO Technical Experts Group on Air Cargo Security (i.e. WCO, ICAO, IATA, UPU; Customs +OGAs)**
 - **Sharing of data elements (based on pilot projects)**
 - **Alignment of AEO/RA/KC, including pilot projects**
- **WCO participation in relevant meetings under ICAO AVSEC, FAL and relevant UPU meetings to raise awareness and ensure compatibility of measures**

SAFE review

- SAFE Review, including 3rd pillar on CBM
- SAFE advance cargo requirements to take outcome of pilots into account/develop globally applicable standard
- Need for cooperation WCO/ICAO/IATA/UPU, replicated at national + regional level
 - Important principle - clear distinction between role of Customs and Transport Regulators
 - Promote synergies between instruments, tools and programmes

WCO - ICAO Cooperation

- Joint Publication of Brochure
- Joint ICAO - WCO Conferences
- Joint training module + pilot
- Joint Pilot Programme AEO/RA/KC
- Joint Action Plan
- Amendments to ICAO +WCO instruments to ensure global standard
