

Wayne Chapin
Chief Technical Advisor,
COSCAP North Asia

Starting his flying career in Northern Canada in 1972, Mr. Wayne Chapin went on to fly for various regional air operators over a period of 13 years. He held an ATPL having flown over 8000 hours on various types, from the venerable DC 3 to Regional jets and holds qualifications for single or multi-engine land and sea aircraft.

Mr. Chapin joined Transport Canada in 1988 and served in various managerial positions over a period of 23 years before taking a leave of absence to join the COSCAP-NA programme as the Chief Technical Advisor in June of 2011. Mr. Chapin currently resides in Beijing, PRC and is enjoying a third career working with the Members of COSCAP-NA.
