

ICAO REGIONAL SAFETY MANAGEMENT SYMPOSIUM
THE JOURNEY TO ACHIEVING EFFECTIVE SAFETY MANAGEMENT
Eastern and Southern African & Western and Central African Regions

22-23 May 2018, Kigali, RWANDA

Lillian Lungu

Manager Quality and Safety, Zambia Civil Aviation Authority

Ms. Lillian Lungu is one of the pioneer lady aircraft engineers in Zambia. She is endowed with over twenty-five years' experience in civil aviation. Lillian began her career as an Aircraft Maintenance Engineer and then moved on as Senior Airworthiness Engineer. She is currently heading Quality and Safety in the Zambia Civil Aviation Authority.

Lillian was very instrumental in contributing towards transforming the Department of Civil Aviation into the CAA and has been very central in the various processes that culminated into the CAA achieving the various strides it has recorded from its inception to date.

In addition to several qualifications in Aviation, Lillian also holds a Bachelor of Laws Degree.

Lillian is a member of the Engineering Institute of Zambia and Women in Aviation International.
