

Cornelia (Connie) Wilson-Hunter
Senior Advisor, The Wicks Group, PLLC

Cornelia (Connie) Wilson-Hunter is a Senior Advisor to The Wicks Group, PLLC. Connie recently completed a long career with the US Department of Transportation (DOT) that included managing the "Safe Skies for Africa" program and serving as a Senior International Transportation Analyst for all modes of transportation. She also served as a DOT Congressional Liaison for Aviation.

Connie's portfolio at DOT included collaboration with senior officials from US and foreign governments, representatives of the US domestic and foreign transportation industry, and non-governmental organizations. She formulated broad-based US policies regarding transportation, trade, facilitation, and technical assistance and worked to build support for further implementation of international aviation safety and security standards. As manager of the DOT Safe Skies for Africa program, she was responsible for planning, arranging, and negotiating guidance and instructions for US government agencies and aviation stakeholders involved with the program. At TWG, Connie provides her DOT and African aviation expertise to The Wicks Group PLLC's attorneys as relevant client matters arise, while also working directly on projects for TWG Consulting.
