Mr Raymond Benjamin
Secretary General
ICAO

Subject: Cuba's reservation on paragraph 7 of Resolution A 38-17/2- Consolidated statement on continuing ICAO policies and practices related to environmental protection – Climate change.

Dear Mr Benjamin,

I have the pleasure of writing to you to confirm that Cuba, together with other countries, presented its reservation on paragraph 7 of the abovementioned Resolution A38 17/2 through Letter No. 416 / BRASICAO dated 7 October 2013, which was sent to you by the Permanent Representative of Brazil on the ICAO Council, and which is consistent with the joint position expressed in the Assembly during the examination of this matter.

Cuba is considering whether to submit additional, more specific arguments on this subject and is therefore requesting an extension of 10 business days commencing on 4 November, when it will be exactly 30 days since the Assembly came to a close.

Please examine whether you can grant us the requested extension and accept Sir, assurances of our highest consideration,

Jorge Félix Castillo de la Paz
Permanent Representative.
