Meeting arrangements

Opening meeting

The Conference will commence promptly at 0930 hours on Monday, 16 November 2009. It shall meet as one body and be conducted in the Arabic, Chinese, English, French, Russian and Spanish languages. In addition, the host State will provide Portuguese interpretation.

Registration of participants

Formalities

The Conference will take place at the Sheraton Rio Hotel and Resort. All participants are requested to register at Leme Hall on the 5th floor (please note the hotel lobby is on the 6th floor). The registration centre will be in operation at the venue on Sunday, 15 November 2009, from 0800 to 1600 hours and on 16 to 18 November from 0800 hours to 1700 hours. At registration, every participant will be issued an identification badge, which will be required to access the meeting venue.

Credentials

Credentials are required for the meeting. Such credentials should be signed on behalf of the State or international organization concerned, by a person duly authorized to do so, giving the name and position of each member of the delegation and indicating the capacity in which he or she is to serve at the meeting (Contracting States: Delegate, Alternate, Adviser; non-Contracting States and international organizations: Observer). The credentials may be sent in advance to the Secretary General or be deposited, when registering on site, with the Secretary of the meeting through the designated Credentials Coordinator.

List of participants

A list of participants will be distributed during the Conference. Participants should notify the Registration Desk of any amendments and corrections to be made to the list.

Identification of participants and security

The CAAF identification badge will serve as a security pass and must be worn visibly at all times while on the premises. Security guards have strict instructions not to allow access to Gávea Hall or the foyer to persons not wearing a badge.

Meeting documentation and communication facilities

Distribution

Documentation produced during the meeting will be available at the Document Distribution Centre on the 5th floor next to the Registration Centre at Leme Hall.

Communication facilities

The hotel is equipped to offer Internet connectivity on the entire 5th floor area through a wireless network for attendees who bring their own portable computers. Electrical power is available at some points at Gávea Hall. Moreover, computer workstations, configured with most of the Microsoft Office tools, and printers will be available on the 5th floor (Leme Hall) for participants who wish to access the Internet to use web-based email services.

Headsets will be distributed in the registration area, and participants will be asked to sign a list when they receive the headset and when they return it.

Ancillary services

Medical services

The Medical Consultant's office is located on the 5th floor, Leme Hall. There will also be an ambulance parked near the hotel's main entrance ready to take participants to a hospital if necessary. Participants seeking medical attention can obtain from their hotel management the location and telephone number of a doctor in their hotel or nearby.

In view of the high cost of medical and hospital care in top hospitals in the Rio de Janeiro area, participants may wish to insure themselves against these risks. These arrangements should be made prior to arrival in Brazil.

This price includes one non-alcoholic drink (water or fizzy drink).
