

GRF2019

Symposium on Implementation of
the New Global Reporting Format
for Runway Surface Condition

DAY 3 – AM: THURSDAY, 28 MARCH 2019 – IMPLEMENTATION

09:00 – 10:30 **Session 6: Implementation – Airspace user views**

Case studies and the views from airspace users representing a number of implementation environments.

Moderator: Stuart Fox, Director, Flight Operations, IATA

Speakers/Panelists:

Anthony Sestito, Manager, Flight Dispatch Operations at United

Capt. John Arne Lande, Manager performance at Norwegian

Alex Gertsen, Director, Airports and Ground Infrastructure, NBAA

Capt. Jussi Ekman, IFALPA member of the ICAO Friction Task Force

10:30 – 11:00 **Coffee Break**

Sponsored by

Xsight Systems

DAY 3 – AM: THURSDAY, 28 MARCH 2019 – IMPLEMENTATION

11:00 – 12:15 **Session 7: Implementation – ATC and AIS provider views**

Case studies and the views of Air Navigation Service Providers (ANSPs), Air Traffic Controllers (ATC) and Aeronautical Information Services (AIS). The effective transmission of data associated with the GRF is key. ATC will also play a role in monitoring conditions on the maneuvering area.

Moderator: Nico Voorbach, Director, ICAO and Industry Affairs, CANSO

Speakers/Panelists:

Shayne Campbell, CANSO Safety Programme Manager

Jean- Francois Lepage, IFATCA Representative to the ICAO Air Navigation Commission,
and, Alistair Hull, Member of IFATCA and Tower Controller, Montréal, Canada

Chris Keohan, Regional Officer EURNAT, Air Navigation Systems Implementation, ICAO

12:15 – 12:30 **Team Eagle presentation**

12:30 – 13:30 **Lunch Break**
Sponsored by

DAY 3 – PM: THURSDAY, 28 MARCH 2019 – TOOLS AND GUIDANCE

13:30 – 15:00 **Session 8: Guidance Material, Measurement Tools and Future work**

An introduction to ICAO guidance material, a description of how to assess the contaminants and the use of measurement tools, including maintenance of the surface friction characteristics. Future developments will also be explored.

Moderator: Armann Norheim, Aerodrome inspector, Civil Aviation Authority, Norway and, Rapporteur of the ICAO Friction Task Force

Speakers/Panelists:

Lars Kornstaedt, Aircraft Performance Engineer, Airbus and, ICCAIA member of the ICAO Friction Task Force

Guilhem Blanchard, Head of Airfield Pavements and Friction, Civil Aviation Technical Center, France and Chairman of EUROCAE Working Group on Runway Weather Information Systems

Zoltan Rado, Chief Scientist, Aviation Safety Technology and Chairman of the ASTM International Committee on Vehicle / Pavement Systems

John Gadzinski, President, Four Winds Aerospace Corp, member of the Society of Aircraft Performance and Operations Engineers (SAPOE) Task Force and, Chairman of ASTM International Subcommittee on Aircraft Friction

Dennis Hart, Head of Digitalisation and Information Unit, EUROCONTROL

15:00 – 15:30 **Coffee Break**

the New Global Reporting Format
for Runway Surface Condition

DAY 3 – PM: THURSDAY, 28 MARCH 2019 – TOOLS AND GUIDANCE

15:30 – 16:30 **Session 9: Symposium Conclusions and Closing Remarks**

Presentation and discussion of key challenges to implementation, symposium conclusions, concluding remarks.

Moderator: Stephen P. Creamer, Director, Air Navigation Bureau (ANB), ICAO

Speakers/Panelists:

Andrew Badham, Policy Lead Aerodromes, Civil Aviation Authorities, United Kingdom and, Chairman of the ICAO Aerodrome Design and Operations Panel (ADOP)

Ian Witter, Head, Airside Regulation and Oversight, Heathrow Airport, United Kingdom and, Chairman of the ICAO Aerodrome Design and Operations Panel (ADOP) – Aerodrome Operations Working Group

Stuart Fox, Director Operations, IATA

Armann Norheim, Aerodrome Inspector, Civil Aviation Authorities, Norway and, Rapporteur of the ICAO Friction Task Force

Nico Voorbach, Director, ICAO and Industry Affairs, CANSO

Yong Wang, Chief, Airport Operations and Infrastructure Section, ANB, ICAO

Charles J. Enders, Aviation Safety Inspector, Federal Aviation Administration, United States

Chris Keohan, Regional Officer, Air Navigation Systems Implementation, ICAO

GRF2019

Symposium on Implementation of
the New Global Reporting Format
for Runway Surface Condition

DAY 4 – AM: FRIDAY, 29 MARCH 2019 – TRAINING INFORMATION SESSION

09:00 – 10:00

Sunrise Implementation Workshop

An opportunity for symposium participants to network and have more informal and detailed discussions with the representatives of the Federal Aviation Administration

10:00– 10:30

Morning Pause

10:30 – 12:00

Information Session

ICAO and key stakeholders' perspectives of training initiatives and resources available to support the deployment of the GRF.

Moderator: Miguel Marin, Chief, Operational Safety Section, ANB, ICAO

Speakers/Panelists:

Mekki Lahlou, Training Planning and Operations Officer (ICAO)

Issa Castro, Manager, Global Training (ACI)

Jan Loncke, Safety Officer, Brussels Airport

Chet Collett, Director, Flight Operations Engineering, Alaska Airlines

Shayne A. Campbell, Safety Programme Manager, CANSO

Mathieu Khoury, Learning and Development Specialist, IATA
