% of Total Transport Portfolio	1.1%	1.2%		2.5%	2.7%		24.4%	30.9%		3.1%	3.4%	

Current World Bank Group Air Transport Portfolio

The WGB FY11 Air Transport Portfolio includes:

- 30 major projects in all regions of IBRD and IDA
- 28 active IFC investments and several advisory mandates
- total public sector air transport portfolio financed by loans or grants of IBRD and IDA of US\$ 619 million
- IFC private sector air transport portfolio US\$ 685 million
- Overall, the WBG air transport portfolio of US\$ 1.3 billion

ICAO AIR TRANSPORT SYMPOSIUM

18 - 20 APRIL 2012

Strategies and Tools for
Sustainable Air Transport

Traditional Financing

Three main sources:

- ➔ Government funds from operational income and allocated general funds
- ➔ Financing by bilateral partners
- ➔ Financing by Multilateral Development Banks (MDB)

Traditional Financing

Government funds from operational income and allocated general funds

- ✈ Example Mongolia:
 - ✈ 40,000 overflights per year
 - ✈ Procedural ATC
 - ✈ US\$ 40 million

ICAO AIR TRANSPORT SYMPOSIUM

18 - 20 APRIL 2012

Strategies and Tools for Sustainable Air Transport

Traditional Financing

Bilateral partners

- Financing of airport or air traffic management infrastructure
 - Dar-Es-Salaam airport in Tanzania
 - € 53 million grant / loan by the Dutch Government

ICAO AIR TRANSPORT SYMPOSIUM

18 - 20 APRIL 2012

Strategies and Tools for
Sustainable Air Transport

Traditional Financing

- ❖ Financing by Multilateral Development Banks (MDB)
 - ➔ Regional Development Banks (e.g. Inter-American Development Bank)
 - ➔ Global Development Institutions (EBRD, The World Bank Group)

ICAO AIR TRANSPORT SYMPOSIUM

18 - 20 APRIL 2012

Strategies and Tools for Sustainable Air Transport

IBRD/IDA Financing – Airport Infrastructure

- ✓ Runways, apron
- ✓ Lighting & navigation systems
- ✓ Power & water System
- ✓ Terminal improvements (for security & safety)
- Tools: Public-Private Partnerships

ICAO AIR TRANSPORT SYMPOSIUM

18 – 20 APRIL 2012

Strategies and Tools for Sustainable Air Transport

IBRD/IDA Financing – Example Egypt

❖ Airports Development Projects

- IBRD Financing US\$ 335 million
 - ➔ New Terminal 3 at Cairo International and at Sharm El Sheikh Airports
- IBRD Financing US\$ 280 million
 - ➔ Renovation of Terminal 2 in Cairo
 - ➔ Several technical assistance components

ICAO AIR TRANSPORT SYMPOSIUM

18 - 20 APRIL 2012

Strategies and Tools for Sustainable Air Transport

IBRD/IDA Financing – Safety Infrastructure

- ✓ Navigation aids (ILS,GNSS)
- ✓ Communication & surveillance (ADS-B)
- ✓ Fire & crash equipment
- ✓ CAA technical library
- ✓ Local capacity building
- Tool: Meet SARP & self-sustainable CAA

ICAO AIR TRANSPORT SYMPOSIUM

18 - 20 APRIL 2012

Strategies and Tools for Sustainable Air Transport

IBRD/IDA Financing – Security Infrastructure

- ✓ Passenger & cargo screening equipment
- ✓ Communication & CCTV
- ✓ Fencing & terminal improvements
- ✓ Local capacity building
- Objective: Meet SARP & self-sustainable (fees)

Strategies and Tools for Sustainable Air Transport

The Challenges - Air Transport Safety

	2001	2009	2010
Hull loss accidents (Western-built)	20	19	17
Accidents (all aircraft types)	104	90	94
Fatal accidents	25	18	23
Total fatalities	749	685	786
Passenger numbers	1.64 billion	2.27 billion	2.42 billion

Regional safety rate
(Industry Western-built jet hull losses per million sectors)

Source: IATA GSIC

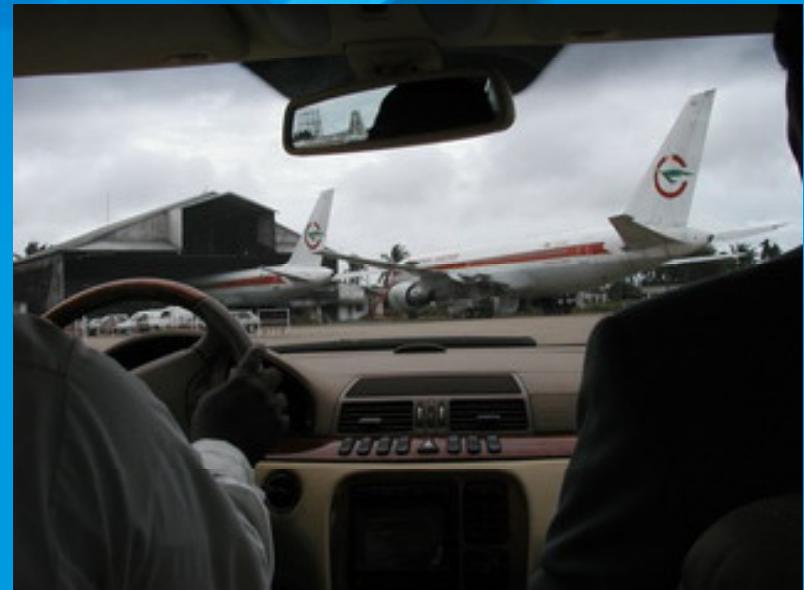

World	IATA Members
0.61	0.25
0.71	0.62

Red = 2010
Blue = 2009

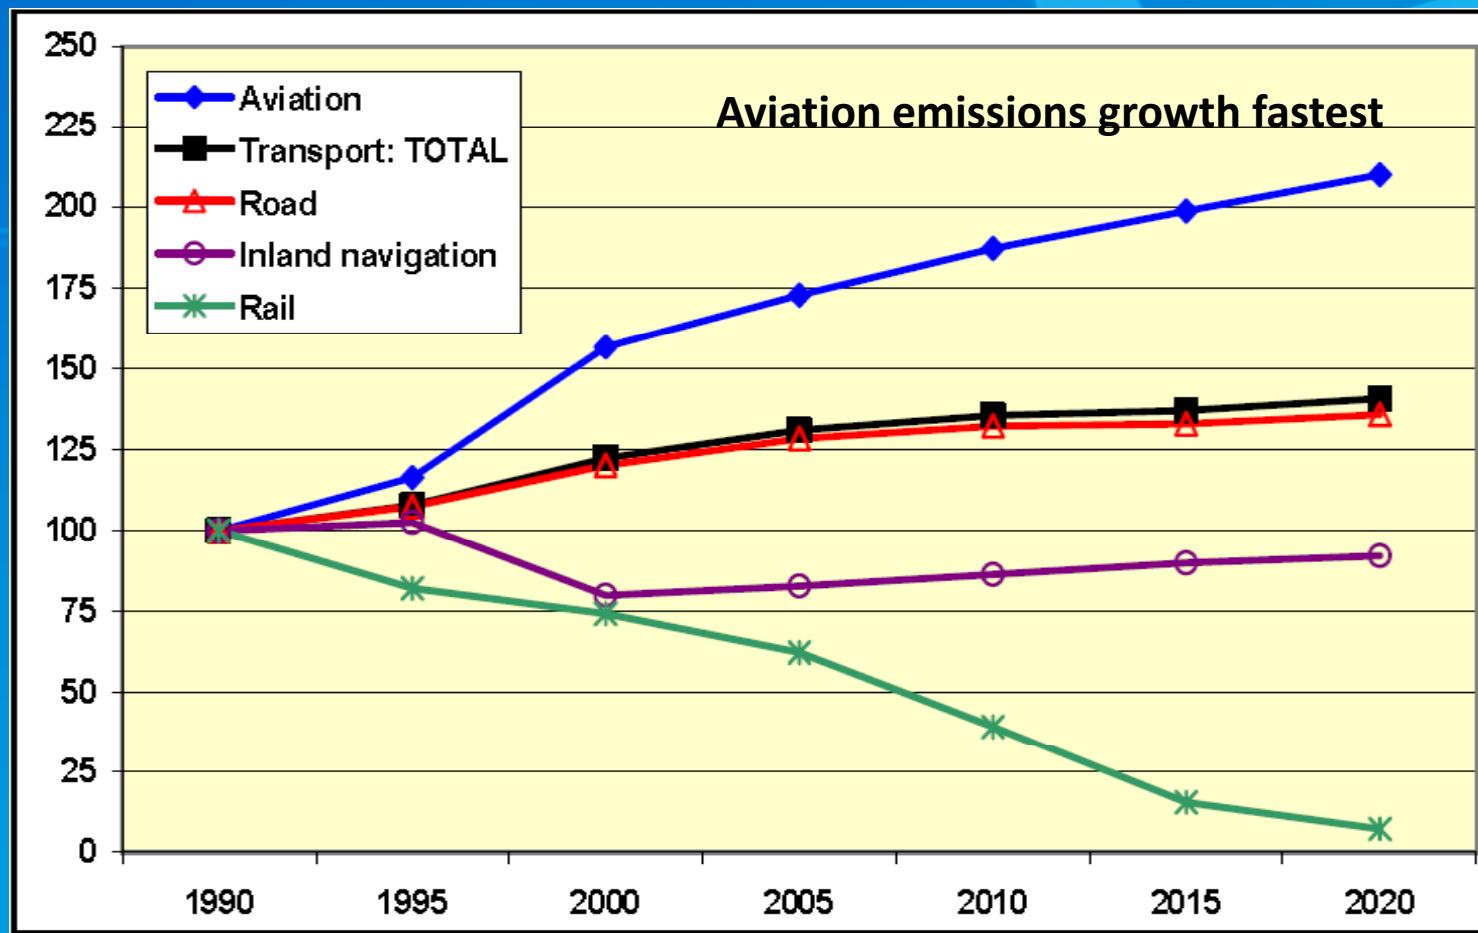

The Challenges – Governance Poor Safety Oversight

- ❖ Good Governance is key, Money is not the reason for poor safety oversight:
 - ✓ Training available from various partners
 - ✓ Pooling of resources
 - ✓ Partnerships (airlines)
 - ✓ Regional agencies
 - ✓ Long-term sustainability is key for development

The Challenges – Environmental Sustainability “Green Growth”
