

David Broz

VICE PRESIDENT, AEROPOLITICAL AND INDUSTRY AFFAIRS, THE EMIRATES GROUP
HEADQUARTERS

David Broz is Vice President, Aeropolitical and Industry Affairs, at Emirates Airline. He is based in Dubai.

In his role, Broz looks after the airline's aeropolitical issues as well as relations with industry associations and government organisations. This involves representing Emirates Airline in government negotiations, air services talks and broader political engagement worldwide.

Broz has been a member of International Air Transport Association's (IATA's) Industry Affairs Committee since 2013.

Broz has over 20 years of management experience in the airline industry, mainly in the field of aeropolitics and external relations.

Broz holds Masters degrees in Management (Purdue University, USA), Business Administration (ESC Rouen, France) and Foreign Trade Economics (University of Economics, Prague, Czech Republic).
