

Latifa Hadbi is the Programme Manager for the Next Generation of Aviation Professionals (NGAP) at the International Civil Aviation Organization (ICAO), based in Montreal. She leads global initiatives focused on aviation workforce development, education, and strategic partnerships.

She specializes in capacity development, strategic planning, implementation support, and fostering international collaboration. In her role at ICAO, Latifa works closely with stakeholders at the global, regional, and national levels on key priorities related to the attraction, education, training, and retention of aviation professionals. Her work supports the development of a sustainable and inclusive talent pipeline that aligns with the evolving needs of the aviation industry.
