# Identity Management in Relief Operations

#### **Social Protection Programs**

#### Internally Displaced Persons (IDP)

Operations against the Taliban launched in Swat; Millions of people displaced

755,464 families registered as IDPs; Only 329,792 (43%)
 deemed eligible using NADRA database

 NADRA directed to design and implement cash disbursement to IDPs in a manner that ensures transparency

 Visa Debit cards to be issued to beneficiaries, backed by virtual accounts in collaboration with a partner bank

#### **Challenges and Goals**

NADRA's database used to identify beneficiaries for the first time

Apprehension with new technology.

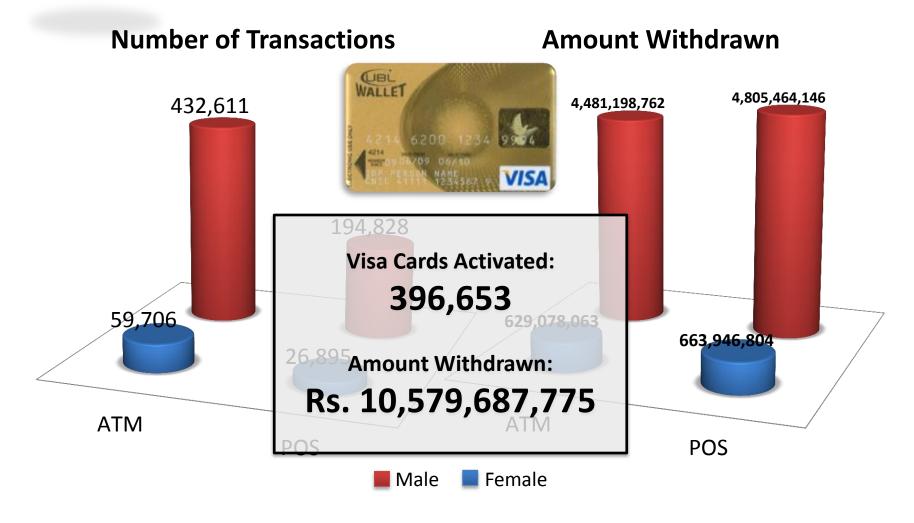

Political repercussions of making a large number of people ineligible

Detailed project plan with army. Lead role in implementation with the army

Conviction, planning and ruthless execution of plans key to success

#### **Financial Support to IDP's**

#### **Watan Card - Support to Flood Victims**

- Pakistan is hit by the worst floods in its recorded history in the year 2010.
- Over 20 Million people affected
